New South River Baptist Association
Fayetteville, North Carolina 28304

Gentlemen:

We have made a limited examination of the books and receipts of the New South River Baptist Association for the year ended December 31, 1978.

The following schedules are submitted:

Schedule "A" - Statement of Recorded Cash Receipts

Schedule "A-1" - Statement of Recorded Disbursements

Schedule "B" - Statement of Recorded Savings and Loans Outstanding

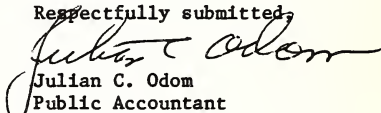

Schedule "C" - Statement of Recorded Cash Disbursements and Budget Comparisons

Schedule "D" - Statement of Contributions from Churches

Our examination was directed primarily to the verification of the financial condition of the Association, and included a general review of the Income and Expense accounts, for the purpose of preparing the Financial Statement for the Year Ending December 31, 1978. It was made in accordance with generally accepted auditing standards, applicable in the circumstances, and comprised such test of the accounting records and supporting evidence and such other auditing procedures as we considered necessary.

In our opinion, the accompanying statement presents fairly the recorded cash receipts, and disbursements of the New South River Baptist Association on a basis consistent with that of the preceding period.

Respectfully submitted,

Julian C. Odom

DIRECTOR OF MISSIONS REPORT

This year has been one of unusual and yet necessary challenges and opportunities.

For about one year of the last two, there have been at least 18 churches pastorless at the same time. Some of these churches were going through difficult, traumatic experiences before the resignation of the pastor. This means that for several months some of these churches may remain unsettled, members "at odds" with each other or frustrated, with much uncertainty as to direction.

It has been an awesome responsibility to work in these situations. There has been, however, a deep consciousness that when God's people are hurting, God would have someone "reach out", "touch", care and love these who are hurting so deeply. There have been some very meaningful experiences, as a result. His "call" and guidance seemed so real, as I sought to "stand with" the hurting ones and to give some additional positive support and leadership.

During the year I had an unexpected experience with a "run-away" blood pressure. After about a month away from the office the pressure was stabilized, but return to normal strength and activities was much slower than I dreamed it would be.

During this particular time there seemed to be a refocusing of my work. More and more concern has developed for a priority emphasis on family needs and ministries. The church has a "calling" and a "mandate" to underscore and give creative direction in meeting the aching needs of individuals within the framework of the family system of our day.

There has been the awareness that though some areas of our associational work has been very exciting and rewarding, especially as it relates to ministries, other areas such as evangelism and church leadership teaching and training need a priority of attention in these next months.

We are so grateful for the prayerful concern and support of those of you across the association. Without this kind of trust and faith, the work would be very discouraging indeed.

While our finances, dollar-wise, have been the best ever, the tight squeeze of inflation has continued to eat into the receipts and has caused us to make every effort to be more faithful stewards of our financial resources.

Our projection for the coming year will include a renewed emphasis on leadership training and stewardship development. It is our prayer that this coming year will be one of the best we've ever had. May God grant it be so!

Respectfully,

Charles A. Stevens

P.S. My appreciation, Carolyn, for "carrying the load" for me in so many ways! Ron, it has been such a meaningful year, trusting you so completely as a dedicated worker and team member. Helen, Mary and Mr. Perry, its so wonderful that He has "placed" each of you in your particular jobs as a part of our office family. I continually thank God for getting us together as a staff "family".

WOMAN'S MISSIONARY UNION REPORT

The Executive Committee of the WMU met several times during the year at which time Mrs. Alene Strickland, Director, presided. All officers reported of their activities at these times. Plans were made at each of these meetings for the furthering of Woman's Missionary Union work throughout the territory of the Association.

Two Leadership Conferences were held during the year at which time officers from all the churches in the Association came together. Classes were taught for all age levels. These conferences were well attended.

All officers worked with the churches in the association during the year in helping to form new groups, secure missionaries to come, secure other speakers and leaders, and any other ways in which they were called on.

The 83rd Annual Meeting of the New South River Baptist Association was held at Highland Baptist Church on April 9, 1979. Theme for the Annual Session was "Acquiring Knowledge Through Bold Missions". Pianist, Mrs. Hughy H. Hollifield, presented quiet music prior to the calling of the meeting to order by Mrs. Alene Strickland, Associational WMU Director.

Mrs. Marion D. Varnedoe, Jr. presented the Call to Worship in song, and Mrs. Gordon Joyner, gave the Call to Worship in scripture and word.

Mrs. Earl Hart, WMU Director for the host church, brought greetings and a cordial welcome from the Highland Baptist Church.

Mrs. Strickland introduced Committee Chairpersons who presented their reports:

Mrs. Maurice Suggs, Chairman of Committee on Committees

Mrs. Kenneth Harris, Chairman of Nominating Committee

Reports were accepted as presented by these Committee Chairpersons, and Mrs. Harris installed the officers as presented and approved by the group to serve for 1979-80.

Special music for the evening was presented by the Youth Choir of the Second Baptist Church under the direction of Mr. Donnie Egan. The group performed "Every Knee Shall Bough" from the musical "I Believe in Heaven" and "I Just Feel Like Something is About to Happen" from "Jesus is Still the Answer".

Mrs. Ronald Loftis introduced the speakers who were to present our program for the evening, Mr. and Mrs. William Mitchiner, of Raleigh. The Mitchiners presented an interesting and beautiful program using slides they had made on their many trips to mission points around the world; these slides and commentary so befitting to our theme for the evening "Acquiring Knowledge Through Bold Missions".

WMU officers for the year 1979-80 are as follows:

ORDINATION COMMITTEE REPORT

Our committee has not been as busy this year as in previous years.

We were requested to meet at Tabernacle, Rev. Carl Strickland, pastor, to examine Brother Robert Turner.

After being duly questioned concerning his Salvation experience, his "call", his doctrinal beliefs and denominational affiliation and loyalty, he was found to be a "fit" candidate for ordination. It was recommended that Tabernacle could proceed with his ordination at its discretion.

We were called to meet again for the purpose of examining another candidate, but this meeting was adjourned because of the need of a clarification of constitutional guidelines.

After several meetings of the committee to consider constitutional matters a revised guideline was presented to the Constitutional Committee for further action.

Respectfully submitted,

Gordon Joyner, Chairman

SUNDAY SCHOOL REPORT

As we ended the last church year assisting individual churches with Sunday School Preparation Week, so it is again this year. This is an annual event throughout the convention, and to me one of the most important, in that it gives all Sunday School workers the opportunity of coming together for study and preparation, and to renew enthusiasm. Many of our churches do not have preparation week, but let me urge each of you to include it in your calendar for 1979-80. The dates suggested are from September 28 through October 5, 1980. If more information is needed, or assistance, please let us know through the association office.

Our Central Age-Group schools in April were well conducted but we did not have the attendance we had hoped for.

The Key Leadership Conference, held at Judson on Sunday evening, August 26 was well attended. We were very pleased to have 25 churches represented in the Sunday School Conferences. As we explained to the group at Judson, and in an earlier edition of the Newsletter, we have one age-group team now available to assist individual churches with any problems that may arise. Our goal by the end of the 1979-80 church year is to have 10 Assist teams, or one for each church group in the association. Have had several requests since Judson and at present are planning with them.

We are looking and working toward Central Training Schools in the spring of 1980. We have on our calendar already two Pastor-Director Workshops on June 23 and 24th, 1980. We have also scheduled an Associational Sunday School Leadership Night, September 16, 1980.

We are grateful for the opportunity given us in Sunday School work in the association and hope that you will give us a call when needed.

Respectfully submitted,

Edward Rasberry
Director

CHURCH TRAINING REPORT

The focus of the 1979 - 80 Church Training year is the education of all churches that Church Training is every education/training program (other than Bible Study) that occurs in the church. Although the Sunday evening is the best time for most churches, some churches have found that Wednesday night is reaching more people for discipleship. The people of our association can accomplish very little without church training. It is hoped that by October 1980 each pastor of our association will discover that Church Training (by whatever name you call it) is vitally important to the growth of God's Kingdom.

The Baptist Sunday School Board has now made available to all churches the Equipping Centers which are the finest tools of training available. They are set up to provide the training our people need in Witnessing, Christian Doctrine, the Church and Community, Family Life, and Leadership in short term seminar type programs.

Other points that the year holds for Church Training are:

- (1) A Senior high retreat to Caswell in March with the focus on "Christ in and after High School"
- (2) Youth Speakers tournaments and Bible Drills and Children's Bible Drills - all three in May
- (3) Working towards the best of "M" Nights in November 1980.

In the very near future the Church Training team will be complete with age group leaders to aid any church desiring aid in their Church Training Program.

BROTHERHOOD DEPARTMENT

The Brotherhood Department has set two primary goals for the coming year: (1) To assist churches beginning new Baptist Men (BM) and Royal Ambassador (RA) units, and (2) to assist churches improve the quality of existing units. In order to achieve these goals, we anticipate training our Brotherhood officers at the State level who will in turn assist churches as they begin new, or improve existing, Baptist Men and RA work. Some churches have already made such requests. As further aids in reaching these goals, the following efforts will be made: planning and implementing a RA sports program which will include basketball and track and field; conducting a conclave for both Crusader and Pioneer Royal Ambassadors; providing individual training for churches as requested; and hosting an Associational Brotherhood Workshop.

These are not all the things that will be accomplished but they are examples of things being planned by our Brotherhood officers. Other programs will be developed and implemented as the year progresses. We anticipate a very good year in the area of Brotherhood!

EVANGELISM REPORT FOR THE ASSOCIATION

In addition to the State-wide emphasis on Evangelism your Evangelism Committee has attempted to promote several emphasis in our Association during the year:

1. Rev. Bill Lamb, Director of Evangelism, N. C. State Convention, shared a 121 page book with our pastors on evangelistic methods.
2. We suggested a telephone survey of the Cumberland County area by interested churches to locate the prospects in this area. This was eventually to become a project of several different denominations in the greater Fayetteville area.
3. Four members of the Evangelism Committee attended a four day seminar at Caraway on "Growing an Evangelistic Church" taught by Home Mission Department of Evangelism. Each of these members Ervin Goss, Stacy Carter, Ed Rogers and Leonard Nix, have agreed to be a resource person to our churches on Evangelistic Methods of the S.B.C.
4. An Association wide "Tell" program was held at Eutaw Heights Baptist Church where participants were introduced to the "Tell" program resources.

The Evangelism Committee has planned two major emphasis for 1980.

1. Association-wide three day seminar on "Growing an Evangelistic Church" for our pastors and key leaders to be held in March 1980. This is being planned with State and Home Mission Board Evangelism Departments leading.
2. Simultaneous Revivals in all our churches in October 1980.

We must remember that evangelism is not REVIVAL but where there is revival there will be EVANGELISM. May we join together in prayer to God therefore to revive His churches in these days of great opportunity.

Respectfully submitted,

Leonard Nix, Chmn, Evangelism Comm.

EVANGELISM REPORT

Baptists in search of unsaved and unchurched persons, are joining together in a Statewide Evangelistic Crusade scheduled for 1982. It is expected that the effort will include Simultaneous Revivals with dates and other activities to be announced soon. The Joint Evangelistic Crusade Committee, composed of both white and black Baptists, is chaired by Mark Corts of Winston-Salem, and co-chaired by C.W. Ward of Raleigh. The committee requests prayer support of the churches for this effort to reach every person in North Carolina with the gospel of Christ by the end of 1982.

The 33rd Statewide Evangelism Conference was held at the Cumberland County Memorial Auditorium, Fayetteville, N. C. during February 5 - 6, 1979. Over 2,500 pastors and lay persons were challenged by evangelistic preachers to involve church members more in direct witnessing for Christ to the unsaved.

Many churches from different associations across the state have already participated in Bold Evangelism Clinics, using the notebook - **BOLD EVANGELISM THROUGH THE LOCAL CHURCH** - with emphasis

related to on-going programs of evangelism in the local church. Other associations need to plan a Bold Evangelism Clinic. Every church in all our associations are encouraged to double baptisms by 1982, or sooner.

Pastors and lay persons participated in an important seminar on **GROWING AN EVANGELISTIC CHURCH** during March 26 - 29 at Caraway Conference Center. The seminar was co-sponsored by the Division of Evangelism and several of the staff of the Evangelism Section of the Home Mission Board. In-depth training sessions placed an emphasis on long-range planning to develop an evangelistic local church.

The Division of Evangelism now has the TELLset and training cartridges to train small groups in direct witnessing. There will be a renewed emphasis on Lay Evangelism Schools with the use of new materials and TELL witness training.

Decisions for Christ are being made by youth and adults as a result of the Youth Revivals led by four Summer Youth Evangelism Teams in one-week efforts among 36 churches across our state.

Churches and associations are now involved in **Bold Revival Planning Clinics**, using the Revival Planbook For the Local Church, Counseling Guide, and the Follow-up Manual for New Christians. The Revival Planbook can help pastors and church leaders to plan for a more effective revival effort.

The 34th Statewide Evangelism Conference will be held in Greensboro during February 4 - 6 , 1980

CHRISTIAN HIGHER EDUCATION REPORT

When North Carolina Baptists call the college/university roll, there are seven reasons to be grateful and proud: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. These are seven of 53 colleges and universities supported and nurtured by state conventions within the Southern Baptist Convention.

According to the latest figures printed by the Education Commission, SBC, of the 134,000 students attending the 53 Baptist colleges in the Convention, almost 20,000 are enrolled in our North Carolina schools. Thus, 15% of all Baptist college enrollments are located in this state.

The 1978-79 year witnessed change and progress. Enrollments were stable; budgets were balanced; Wingate college made history by graduating the first senior class; Campbell, once known as a senior college, announced a name change to Campbell University; the Campbell Law School graduated its first class; and churches all across the state answered the Council's request for names and addresses of prospective college students. In the main, it was a very good year for Baptist colleges.

All North Carolina Baptists are now aware of the current discussions between Wake Forest and the Council Committee to study the Wake Forest University Proposal. Many hours of study and work have been given by that committee, and this work will continue at least until the Convention meets in Winston-Salem on November 13-14, 1979. The Council will make its recommendation to the General Board, and the General Board will report and recommend to the Convention.

The Council on Christian Higher Education joins in encouraging the churches to elect responsible and informed messengers to the Convention. Decisions made concerning the continuation of the Wake Forest/Convention relationship will affect the life and work of the Convention and Wake Forest for many years to come.

We thank you for supporting the colleges. We call upon the churches to pray for all of our Baptist work, including the colleges. We look toward the crucial decisions in the fall with confidence in North Carolina Baptists, who have been supporting Christian higher education for almost 150 years.

ANNUITY BOARD REPORT

The year 1978 was a "banner year" and a year of challenge for the Annuity Board in servicing churches and agencies of the Southern Baptist Convention, according to Dr. Darold H. Morgan, president.

Among the challenges he listed were extremes of market variations, staggering pressures of escalating costs, changes in personnel and organization, and the eroding presence of governmental regulations.

The banner side highlights included:

1. A "13th Check" equalling an additional full month's benefit and amounting to \$1,036,914 mailed to almost 10,000 annuitants in Board retirement programs.
2. A total of \$25,558,637 was paid in retirement and protection benefits. Insurance benefits through church, agency and seminary programs topped \$13 million.
3. An Endowment Department, designed to seek funds for undergirding protection programs, was established. A goal of \$25 million by 1988 was set.
4. New churches in the retirement program numbered 630, a record enrollment. New pastors and church employees totaled 2,545, with 3,721 members upgraded programs.
5. Participants in the new Southern Baptist Retirement Program grew to 6,066. Family Benefit Section (Plan A) counted 23,986 members, and Age Security Section (Plan B) recorded a marked increase from 33,062 in 1977 to 44,324. Variable Benefit Section (Plan C) membership declined from 4,885 to 4,217.
6. Premium income reached \$51,797,996 (includes relief). Total assets climbed to \$569,734,471, compared with \$498,977,661 a year earlier.

BIBLICAL RECORDER REPORT

In its 146th year of serving North Carolina Baptists, the Recorder, like old man river, keeps rolling along. The Recorder faced the same problems as everyone did in the past year – price increases in every phase of its operations. The cost of postage continues to go up at a rate of more than 30 percent a year. This means the Recorder is costing four times as much to mail as it did five years ago.

Paper and printing also have gone up, but despite these increases, the Recorder still is about the most reasonable publication available. By keeping the staff small and cutting corners wherever possible, the Recorder can still go into every home in a church for only 7½ cents a week. In today's inflationary world, where else can a person receive so much for so little money? You would pay twice that much for postage on a first class letter.

This has been a newsworthy year and the Recorder has tried to keep you informed. Wake Forest University and its relationship to the Baptist State Convention continues to be in the news and you can depend on the Recorder to strive for fairness and responsible coverage. Action will be taken at the State Convention in November on a proposal that has been worked out by a special committee.

The Southern Baptist Convention in Houston was another important story this year and as always the Recorder was there.

Even though the Recorder takes pride in its coverage of denominational news and events, it devotes more space to the local church than any other state paper in the Southern Baptist Convnetion. The Recorder believes in the local church as the foundation stone of what we are trying to do together as Southern Baptists. Strong churches result in a strong denomination.

The editor is completing 20 years and is still striving to make the Recorder better each week. Your support of the Recorder will not only mean much to it but will make you a stronger and better informed Christian.

If you and your church do not receive the Recorder, please take steps immediately to see that this is done.

BROTHERHOOD COMMISSION REPORT

Missions efforts of Southern Baptists through the Brotherhood Commission were marked last year by success and tragedy.

Responding to the Bold Mission Thrust concern of Southern Baptists, the agency led in preparing 325 Brotherhood training specialists to help state and associational leaders start new Brotherhood units and orient church leaders in involving men and boys in missions.

Brotherhood materials were prepared in Spanish, Korean, and Chinese and leaders were trained to interpret Brotherhood work in these Southern Baptist language churches.

Advances also were recorded in disaster relief, lay renewal, and World Missions Conferences.

On the national scene, the Commission arranged for President Jimmy Carter, a Southern Baptist layman, to challenge 8,000 at a Bold Mission Rally in Atlanta.

During the summer at Glorieta (N.M.) Baptist Conference Center, the Commission joined with Woman's Missionary Union to offer a Bold Mission Leadership Conference which attracted 2,047 Southern Baptists.

While preparing to plan Brotherhood advances in the 1980s, Glendon McCullough, executive director of the commission, was killed in an automobile accident.

Trustees asked a staff cabinet, organized earlier by the executive director, to operate the agency until they elect a new chief administrative officer. Making up the cabinet are four section directors: Bob Banks, program; Norman Godfrey, ministries; Lynette Oliver, business; and Roy Jennings, communications. Godfrey serves as convener.

During the next fiscal year the Commission plans to train 850 training specialists at 14 regional institutes to interpret Brotherhood program improvements scheduled to reach Southern Baptist Churches in September, 1979.

CHRISTIAN ACTION LEAGUE REPORT

The league is pleased to make this report, grateful for the support which you have given and happy to mention some decisions which affect the social climate of our state and the moral fiber of our people.

The Supreme Court of the State of North Carolina has ruled the anti-pornography bill constitutional. Better known as the Lake Bill, it is ready to be enforced by sheriffs, police chiefs and district attorneys.

The Court of Appeals of the State of North Carolina will hand down a ruling soon on the challenge to the liquor-by-the-drink legislation passed by the 1978 session of the Assembly. This suit was filed in Wake Superior Court in January and the decision by Judge Pou Bailey has been appealed to the Appeals Court. A brief has been filed and the next step is to present arguments before the court. Our attorney feels that we have a good chance of winning the case, but the only thing to do now is wait. The league has discovered that law suits are time-consuming and expensive. We need your prayers and your financial support in this matter.

The North Carolina Senate, in the last-day move, passed a bill which under certain conditions will give cities and towns a chance to vote after the county has voted to turn down liquor-by-the-drink. This will undermine the basic philosophy which underlies the passage of the original L-B-D Bill. Since this bill has passed the Senate, it can be considered by the House in the short session to be held in June, 1980. We need to secure commitments from our Representatives that they will oppose the bill, which is Senate Bill No. 943.

A decision (vote) by the members of the Senate of North Carolina killed a bill which would have relaxed the penalties for the possession of up to four ounces of marijuana. We rejoice in this victory.

On May 1 of this year, Brother Coy Privette became the full-time Associate Executive Director of the League. Continue to pray for the Directors, the officers, the trustees and expand the support which you are giving the League.

BAPTIST FOUNDATION REPORT

"Moreover it is required in stewards, that a man be found faithful." 1 Corinthians 4:2

Since January 1, 1979, the Foundation staff with the assistance from Rev. James B. McQuere, retired Director of Missions of the South Fork Baptist Association, an intensive effort has been made through conferences over the state to familiarize as many pastors as possible of the helpful services provided by the Baptist State Convention through the North Carolina Baptist Foundation. The Foundation is available to assist individual Baptists with their estate planning, regardless of the size of the estate. Many of the most significant and meaningful gifts to support the Christian ministries through the denomination have been directed through the Foundation as trustee. These services are available from the trained staff and their professional support (accounting and legal services) employed for this purpose without cost to individual participants. Where an individual desires to be a part of sharing the gospel beyond his or her lifetime, the establishment of a trust with the Foundation provides a tangible participation in such activities.

The foundation has been actively engaged in assisting individuals in not only having their wills redrafted, but also in the preparation and establishment of annuity trusts. Through such a trust, an individual or couple can place in trust assets (such as property, cash or securities) and receive income for the remainder of their lives. After death, the income from the trust will be paid to the donor's choice(s) of Baptist missions work and/or institutions. This method of giving provides the satisfying knowledge of being a faithful steward in utilizing resources more completely for the Lord's ministries, as well as, taking advantage of the laws of our land in reducing taxation on resources – both income and estates.

A personal and private appointment with a Foundation staff member can be arranged either through your pastor, association Director of Missions or by writing or calling the Foundation office. The address is:

CHRISTIAN LIFE COMMISSION REPORT

The past twelve months have brought little relief from the endless assault of immorality on our society. Ten million people have died of hunger in spite of important new anti-hunger initiatives. Alcoholism has repeated its annual destruction of countless lives. The senseless arms race has continued to escalate as nations have embraced ever more heinous ways of annihilating one another. Insatiable human greed has produced another round of skyrocketing inflation and another chapter in the energy crunch. Television has continued to beam its often dehumanizing and trivial view of life right into our homes. In recognition of the clear teaching of the Bible that Christians are to be on guard against the forces of evil, Southern Baptists have assigned the Christian Life Commission the vitally important task of helping the churches to resist this assault. The Christian Life Commission has sought to fulfill this task effectively this year in a variety of ways.

A piece entitled "A dozen Actions You Can Take To Help Improve The Moral Quality of Television" was mailed to all Southern Baptist pastors to help them deal with the problem of television morality. A conference on television morality was held in Nashville and featured Bob Keeshan, better known as "Captain Kangaroo," and Tipper Gore, wife of a Tennessee congressman. In addition, twice during the year the Commission presented testimony to congressional committees dealing with the writing of the Federal Communications Act.

In cooperation with other Southern Baptist Convention agencies, the Christian Life Commission again this year gave leadership to the planning and promotion of World Hunger Day. For the first time ever, World Hunger Day posters have been distributed free throughout the Convention. The Commission also worked with other SBC agencies to plan and conduct a convention-wide Convocation on World Hunger at Ridgecrest Baptist Assembly last fall. During the year, a Commission representative also testified before the Presidential Commission on World Hunger.

Christian citizenship has received renewed emphasis among Southern Baptists this year with the coming of a new director of Christian Citizenship Development to the Christian Life Commission staff. Through his efforts a Southern Baptist Christian Citizenship Corps is now being organized to encourage and inform Baptists as they seek to be responsible Christian citizens. Active Christian citizenship was also encouraged through the promotion of the 1979 Christian Citizenship Sunday observance.

Through a number of ongoing programs, the Commission has made other efforts in the area of Christian morality development. A national seminar on "Help for Families" was held in Orlando and was attended by some 750 persons. A number of small, regional conferences were held at various places in the nation, and summer conferences on "The Bible and Christian Ethics" were held at Ridgecrest and Glorieta. Literature dealing with moral issues was distributed to churches and individuals in record quantities. Race Relations Sunday was vigorously promoted across the convention. A variety of organizational involvements were undertaken in order to deal with the problem of alcohol. And the Commission staff wrote a large number of articles, preached many sermons, led conferences, and gave speeches in order to foster righteousness among our people.

The Christian Life Commission and its staff are especially grateful to God for these important opportunities to serve Him. With His continued help and Southern Baptists' continued support, we will strengthen our efforts in the year ahead to serve our Lord Jesus Christ.

EDUCATION COMMISSION REPORT

Continued witness through higher education requires a commitment to stated Christian purposes, the willingness of the institutions of higher education to serve the denomination and its intents, and the willingness (even to limiting enrollments and expansion of facilities) to strive constantly for academic excellence. Baptist schools have demonstrated this commitment.

The commission assists Baptist colleges in their task of giving to the denomination and its people strong moral leadership in an age of moral decline. These colleges are applauded because they have refused to bow to the popular dictum that a college has no responsibility for student conduct or for the inculcation of values.

It is the contention of the Commission that church-related colleges are the only option for post-secondary education in a Christian atmosphere. Church-related colleges continue to make a vital contribution in both the training of church-related vocational workers and lay leadership. Yet all Southern Baptists must recognize that Christian standards are never more perfectly achieved on the campus than they are in the local church.

The Education Commission and the Association of Southern Baptist Colleges and Schools continued in the past year to work with the Foreign Mission Board, the Home Mission Board, the Brotherhood Commission, and the Woman's Missionary Union as missionary education agencies. Much time has been spent planning for the National Conference on Bold Christian Education and Bold Missions held in June, 1979. Baptist colleges and schools are giving enthusiastic backing to the Bold Mission emphasis. Special programs of training and service have been conducted on numerous campuses.

More calls for assistance in trustee orientation were received during the past year than the Commission was able to answer. A growing interest in trustee responsibility emphasizes that additional help is needed in assisting trustees to understand their accountability, legal responsibilities, and the full scope of their task.

The Commission staff has also assisted Baptist colleges and schools in maintaining their accreditation by offering special helps prior to and following self-studies required by regional accrediting agencies. By administering the Opdyke and the Farmer-Robertson Scholarship/Loan programs, the Commission has assisted both students and faculty and staff in continuing educational experiences.

A registry service is maintained for those who are well trained and dedicated to serving in Baptist schools. A major thrust of the registry service is to secure dedicated Baptist faculty for all institutions.

Baptist Seminary, College, and School Day was planned and promoted on February 18, 1979. Participation in this program reached an all time high this year.

Liaison with the U.S. Office of Education, other denominational boards of higher education, and national educational organizations is an important factor in the Commission's work. Leaders of higher education by joint effort were able to influence congressional legislation which greatly affected denominational educational efforts.

By coordinated efforts, representatives of the major denominations have made strides in bringing attention to the cause of Christian Higher Education. A national congress was conducted by these organizations in June, 1979, which focused on common purposes and problems.

Every effort is given to carrying out a definite Bold Mission Thrust into the academic arena of our society.

AMERICAN BIBLE SOCIETY REPORT

The years had taken their toll. Her face was quite wrinkled now—possibly from years of working in the sun, because she was obviously not wealthy. But every Sunday morning she passed his newsstand, stopped and handed him a Scripture Selection. As she did so she always said the same words to him: "Take and read the message. It will be of help to you in your life."

The newsdealer politely accepted the Selections each week and put them on a shelf beside him. He started reading – first one, then another, then another. He began to discover that indeed the Selections did contain a message for him. It was a message of hope, a new way of looking at life and living. He anxiously waited for the old lady to come by again the next Sunday morning so that he could ask her more about the Scriptures he had read. At his request she brought him a New Testament which he studied with a sense of urgency. The more he read the more he wanted to know about God.

Then came the Sunday morning when he closed his newsstand and joined the elderly lady as she went to church. There he found the peace and security for which he had been looking. He also found he was able to see his problems from a new perspective and to start living a new life. Sometime later he was baptized and began a new job directing a mission post of the church in Lima, Peru.

Now you know why we are excited when we report that over 500 million Scriptures were distributed in 1978. The seed is being sown and it falls on good soil over and over again.

In addition to bringing God's Word in a form that can be easily understood, the Bible Societies' New Reader program helps the new reader attain the literacy level he needs in order to easily comprehend a complete New Testament in his own language. Since few of these new readers would be acquainted with terminology used 100 or even 50 years ago, it is essential that they be provided with translations in the language they commonly speak today.

During 1978 new common language translations appeared in 22 languages including the book of James in Today's Arabic Version and the complete New Testament in the form of Portuguese in current usage.

As of December 31, 1978 at least one complete book of the Bible had been published in 1,659 languages compared to a total of 1,631 reported at the end of 1977.

Gifts from the Southern Baptist Convention averaged \$0.024 per member in 1978. If the per capita income were increased to just \$0.04 per member per year, income from the Southern Baptist Convention would reach \$517,000. This is imperative if the American Bible Society is going to be able to keep up with the demand for Scriptures worldwide.

The American Bible Society requests the continued prayers and financial support of the Southern Baptist Convention. Working together we can bring the message of hope found in the Scriptures, to those who need it so desperately.

Respectfully submitted,

Arthur C. Borden,
Secretary, Church Relations

HOMES FOR THE AGING REPORT

This has been a year of great significance and celebration in the life of our North Carolina Baptist Homes for the Aging! We would give praise and thanksgiving to God especially, and to our Baptist pastors and churches throughout North Carolina for the victories that we have experienced!

Of outstanding importance has been the completion, dedication and occupancy of our new Western North Carolina Baptist Home, in Asheville. This lovely new Home, accomodating 50 additional residents, was dedicated to the glory of God on April 29, 1979. Already, there are enough residents who have arrived, and those who have been approved for admission, to fill the Home.

The new apartment complex in Winston-Salem, accommodating 16, has been completed and all of the a apartments have either been filled or assigned. With an older apartment, built in 1961, there are a total of five duplex apartments, accommodating 20 persons. With the apartment complex, the six Baptist Homes for the Aging, and the skilled nursing facility, 300 persons can be served in our Baptist Homes. Homes are located in the following places: Resthaven, the Hayes Home, Apartments, The Skilled Nursing Unit, in Winston-Salem; the Albemarle Home, in Albemarle; the Hamilton Home in Hamilton; the Yanceyville Home in Yanceyville; the Western North Carolina Baptist Home, in Asheville.

Financially, this has been a crucial year in our Baptist Homes, since we did not have our usual 3rd Sunday of February Offering, which makes up 16% of out total budget. We have had to move into our endowment funds in order to operate and to keep the ship afloat, since the usual \$300,000.00 that we receive from the Special Offering was delayed until we receive the North Carolina Missions Offering in September. We are looking forward to this offering in a very special way, and it will certainly be crucial in the support of our Homes for the Aging. Let us trust that the goal of \$2,000,000. for all of our ten Baptist Institutions, and the special causes of State Missions, will be met.

Support through the Cooperative Program for our Homes, which supplies about 8% of our total budget continues in a steady and encouraging manner. During the 28 years of the ministry of the Homes, however, the amount of 1 2/10% of the Baptist State Convention Cooperative dollar for the Homes has never been changed.

Through the love gifts of North Carolina Baptists, five out of every six people, who cannot pay the full cost of care, are supplemented. This, therefore, is a ministry of Christian love and compassion at its best in the lives of those dear older people who are in our care.

Of great joy has been the addition of two new administrative staff members - Mr. Jack Hoyle, who came in Mid-January as the Director of Admissions and Social Services, and Rev. Jim Saul, as the Director of Donominational Relations and development. Rev. Saul is filling the vacancy created by the retirement of Rev. Ralph Cannon, in March. We shall never cease being grateful to the Lord for the significant contribution that Ralph made during his service with the Homes. The ministry of the Homes has been greatly enhanced and enriched by the coming of Jack Hoyle and Jim Saul in their respective fields of service.

Ministry to an older person is a ministry as unto Christ Himself. We trust that you will keep this vital ministry close to your heart and in your prayers, and that your gifts will enable us not only to minister to those in our care, but encourage us to expand this desperately needed ministry in our Convention.

HOME MISSION REPORT

The events and program accomplishments of 1978 hinged on the Home Mission Board's involvement in Bold Mission Thrust. Key cities relationships have been established with 21 major metropolitan areas in the U.S. Consultants report success in helping associational and state leaders develop plans to reach the cities populations.

During the past two years, the Home Mission Board (HMB) and other Southern Baptist Convention (SBC) groups have begun work in 156 counties without a Southern Baptist witness, reducing the number of unentered counties to 574.

The 34th state Baptist convention was formed in October, with the assistance of HMB personnel. The Nevada convention, organized just 30 years after the first SBC church began there, boasts 75 congregations and 14,000 members.

Mission Service Corps (MSC), conceived at the 1976 SBC annual meeting in Kansas City, has been taken seriously at the HMB. Response by volunteers and supporting sponsors, though not overwhelming, consistently keeps workers busy with orientation and assignments.

By year's end, more than 90 MSC volunteers were assigned to 29 states in six program areas. Many more await funding before being assigned.

Two staff positions were added this year as the Research Division was formed, totaling 275 employees at the HMB office in Atlanta. The missionary force numbered 2,830, with 159 persons appointed in 1978. About 145 mission pastors received financial assistance to provide for them until their churches can become self-supporting.

Attention to chaplaincy ministries increased in 1978 with the first commissioning service held for HMB-endorsed chaplains. The ceremony emphasized the important role of chaplains in missions. The division, which endorsed 123 full-time chaplains and 176 part-time chaplains in 1978, also provided conferences for chaplains and their families on the field.

More than 1,300 chaplains are endorsed by the HMB, including 868 military and 465 civilian chaplains.

During 1978, the Church Loans Division continued to respond to requests from churches unable to find local financing.

Through action of the directors, the division closed and committed 256 loans to churches in 25 state conventions. These loans represented \$18,114,904 loaned for new buildings, expansion or land purchases. In addition, the staff counseled with another 1500 churches.

Starting churches in newer Convention areas received major focus. More than 1,000 persons work in church extension, including 160 missionaries and pastors receiving salary supplements. New Bible study fellowships numbered 897. Workers began 152 church-type missions and 198 churches were constituted. In addition, HMB staff members trained more than 225 pastors in church and mission development and more than 170 pastors and missionaries in the techniques of planting churches. Seminary students were appointed to 70 places to start new missions; 40 were started.

Convention-wide planning has led the Evangelism Section to train four volunteers from each state to train and equip others. These persons, serving many churches, will become consultants in personal evangelism techniques. In unprecedented cooperation, the HMB and Church Training Department of the Sunday School Board will offer personal evangelism training programs. Renewal evangelism, a joint effort of HMB and Brotherhood Commission, gained emphasis in 1978 with particular attention to recruitment and use of volunteers in lay renewal.

Home Mission Report
Continued --

Beginning a Baptist witness to five more ethnic groups led accomplishments. Denver's Laser Church Growth Penetration established 12 new units of work among 10 language-culture groups, increasing language missions in Colorado by 150 percent. In all, 150 new language-culture ministries were established, many using volunteers.

The department has over 1,000 missionaries. In late 1978, language missions director Oscar Romo and Missions Section director Gerald Palmer visited Cuba, reestablishing contact with missions personnel once connected to the HMB. The visit was the first direct contact HMB leaders have had within Cuba in 17 years.

Ministries to illegal aliens were begun after staff met with U.S. Commissioner of Immigration and Naturalization, Leonel Castillo.

Two churches for the deaf were organized.

More than 300 churches and associations were led in ministry to Indo-Chinese refugees. Personnel advised and assisted the Sunday School Board in publishing the first Spanish materials for use in the U.S.

BAPTIST HOSPITAL REPORT

Although growth in bed capacity at Baptist Hospital has leveled off at just under 700 beds, there is continuing expansion of the hospital's services. This expansion results from new discoveries made through medical research, and is in response to the health care needs of people.

During the past year a 38-bed rehabilitation unit has opened to offer short-term services and family instruction to the disabled. The chief beneficiaries of this program are patients with strokes, arthritis, burns, longterm casts, joint replacement surgery, brain tumors, spinal cord injuries, hand injuries, and some cardiac problems.

A new six bed burn unit is scheduled to open soon. This unit will permit the isolation of burn patients in a location where all required services are immediately available.

An automatic clinical analyzer, the first of its kind in the state, has been acquired and put into operation. This fully automated analyzer, which uses computer technology, can perform more than 200 tests. It analyzes blood serum and body fluids and provides results in less than eight minutes. These prompt and accurate results are of particular importance in critical care areas, such as the emergency room.

Another new ministry is a program of home visitation for children with cancer and their families. A team consisting of physicians, nurses, a psychologist and chaplains ministers to families during three critical periods: when a child has received a recent diagnosis of cancer, when a child is terminally ill, when a child has recently died.

Our chaplains lead worship services in Davis Chapel, which are relayed to all patient rooms by closed-circuit television. They also provide a pastoral ministry to patients, their families and to staff members; provide more than 15,000 hours of personal counseling annually; offer personal growth and enrichment events to hundreds of clergy and lay persons each year; and conduct the largest program of clinical pastoral education in the world. Ministries of the Pastoral Care department are made accessible to people across the state through satellites in Fayetteville, Raleigh, Morganton and Charlotte.

Baptist Hospital has actively participated in the voluntary effort to keep hospital costs as low as possible. Our hospital and several of its employees have been recognized and received awards for their cost-saving ideas and efforts. Our patients benefit in that the hospital's room rate increase this year—despite continuing inflation—is only 5%, as compared to an annual increase of 6% in recent years.

In recent months the hospital's oldest building — “Old Main” — has been torn down and a new six-story Focus Building is now rising on this site.

Our hospital staff members have been working with representatives from other denominational agencies and with leaders of the Baptist State Convention to promote the North Carolina Missions Offering. The hospital looks forward to receiving its share of this offering, as gifts from the churches in the fiscal year ending June 30 were \$196,516, as compared to \$388,122 in the preceeding fiscal year.

MEMBERSHIP COMMITTEE REPORT

After members of the Membership Committee met with the Freedom Baptist Church in a regular Wednesday evening service to discuss the purposes, functions, beliefs and practices of the association and to examine the practices, doctrines and location of the church, as well as to consider their intent and attitudes relative to being received into the full fellowship of the association, the unanimous decision of the committee was to approve their being received into the association.

Therefore: We recommend the Freedom Baptist Church (Sampson County) be received into the full fellowship of the association in its 1979 fall semi-annual session meeting at Lebanon and Roseboro on October 23rd and 24th respectively.

RECOMMENDATIONS ON CONSTITUTIONAL CHANGES

That "By-Law IV, Duties of Committees, B, Subsection (3), (C)" read:

Shaw Heights Committee: Composed of nine members shall be responsible for working with the staff of the Shaw Heights Mission Center in promoting, supporting and encouraging the cause of ministry and missions in the community. The committee will concern itself with the scope, vitality and service of the center, in an advisory capacity, to help meet the center's needs through prayers, personal involvement and share with the association the conditions and opportunities of the Mission Center.

This committee will serve as a liaison between the Mission Center and the association, through the CSM Division.

The following recommendation is from the Ordination Examining Committee and the Executive Committee of the association:

We recommend that "By Law IV, Duties of Committees, B, sub-section (4), (c) Ordinations: "Composed of nine members, shall, when requested by a member church, assist with the examination and ordination of a candidate for the gospel ministry," be changed to: "Ordination Examining Committee: Composed of nine members, shall, when requested by a member church, assist with the examination, and ordination of a candidate who has been called by a church to preach. When requested by a member church, the committee shall assist also in the examination of a candidate who has been called to a specialized ministry, such as, Ministry of Music, Education, Youth, and will recommend that an appropriate certificate, in the person's field of ministry, be presented to the candidate by the ordaining church."

Jim Cooper, Chairman
Constitution Committee

Elsewhere in this section of the Book of Advance Reports you will find reports from several of our department directors and committee chairpersons. I wish to summarize those reports here plus report on those matters not included in other reports.

This year we have offered several training and awareness conferences in an effort to equip our Christians to be better ministers for our Lord. We had a Big A Club training conference and an Inter-faith Witnessing conference in January. Our association helped plan and promote two Inter-Racial services in February and shared in the Semi-Revival in June.

One Tutor Training Workshop was held in March with another planned for October - November. Also, an English Skills/Conversational English Workshop was held in August. A Mission Action Workshop is planned for November 18 with the idea of sharing the CSM work with every single church.

I have participated in one World Missions Conference in North Carolina (Brushy Mountain Association) and will be in another in Tennessee next week. I was privileged to have a part in the mission project to Grenada in February.

Through the CSM Division we have coordinated a ministry to the youth. Our Youth Camp at Wingate was outstanding this year. We had a team of 8 college students from Alabama with us for a week in March, a team of 14 from Jonesville in June and 3 summer youth ministers for Backyard Bible Clubs and Shaw Heights.

During Home Missions week, I spoke in several of our churches as well as at Winston-Salem and Oxford.

One of the most exciting things to happen this year has been the resettlement of refugee families into our association. We have seen these people make the transition from their once stable and secure life to a new life style in a country where language and customs are strange to them. But I think what has been just as helpful in our ministry to these people is the spiritual growth some of our Baptists have experienced.

Our Language ministry continues to grow in quantity and in quality. Please read the Language Missions Report very carefully. I would like to express my personal thanks to our Language Missions Pastors and to Mrs. Rose McDonald for the excellent work they are doing.

During the past year I have been privileged to lead a seminar on the Christian Family, to assist in Deacon Retreats and help with the organization of a Single Adult group. Between October 1, 1978 and September 30, 1979 I spoke in 32 of our churches. During that same

period of time I have delivered 85 sermons or other messages and taught 26 classes. I want to thank the pastors and other leaders for allowing me this privilege.

In the course of our ministries we have witnessed persons coming to accept Christ as Savior and Lord. It is unusual, indeed, to be able to report professions of faith in migrant camps but this year there were two. There also have been conversions reported by Samaritan Goodwill Center and Shaw Heights Mission. Lives have been altered through Literacy, Friends of Youth and the Jail Ministry.

It may very well be that the greatest experiences in CSM have been in the Christians who are ministering. Many have realized a new spiritual vitality as they have become aware of what God can do through them if they will allow it to be done.

Is this the need we have in the church that could move us toward the goals of Bold Mission Thrust?

Respectfully submitted,

Ronald W. Loftis, Director

SAMARITAN GOODWILL CENTERS REPORT

Except the Lord Builds the house,
they labor in vain who build it: Psalms 127:1a

1979 has been a good year, and by the grace of God our homes are doing exceedingly well.

We have an average of 6 ladies and 8 men residing in our homes. We are especially proud of 4 persons who, I am happy to say, accepted our Lord and Savior Jesus Christ, 2 persons that are now attending school and another person who graduated from F.T.I. with a certificate in Flower Arrangement.

Special thanks to all the churches that contribute their prayers and donations and to the young people from the University of Montevallo, Alabama for painting the women's home.

I would like to give special attention to Mr. and Mrs. Parker for the fine work they have shown in our men's home.

Loving the Lord,

Alberta Green, Director

LANGUAGE MISSIONS REPORT

One of the most exciting missions in our association is the mission to Language groups. There are four International Missions/fellowships under sponsorship of our churches and the association.

The Japanese fellowship meets at Eutaw Heights Baptist Church with Mrs. Rose McDonald serving as coordinator. 1979 marked the first year Mrs. McDonald served as a salaried part-time leader. Weekly Bible studies are conducted in Mrs. McDonald's home, Sunday classes meet at church, the pastor teaches the home study once per month and those who come for worship attend the English service.

Several members of this group attended the Oriental Fellowship in Jacksonville. Two general fellowships were held at Eutaw Heights this year with a major thrust scheduled for December 1979.

The Korean Mission has enjoyed growth in every aspect this year. Rev. Yoo Bai Kim is now living and working full time on his church field. Total membership is 38 with average attendance running about 85. From January through August Rev. Kim reported 24 baptisms.

Current plans are to purchase a Van to transport the elderly to church. This mission meets at Snyder Memorial Church with services held at 2:00 P.M. on Sundays.

The Spanish Mission, meeting at Grace Baptist Church, had its first anniversary in September. Approximately 90 Spanish speaking people attended that service. Rev. Mauricio Vargas, pastor, has spent many days in the towns of Dudley, Salemburg, Spring Lake and others. This ministry reaches out to migrant and seasonal farmworkers, to the military at Ft. Bragg and to local residents.

Since beginning full time in September 1978, through July 1979, Rev. Vargas has reported 37 professions of faith.

The Vietnamese Mission meets at Lafayette Baptist Church. Total membership as of September 1 was 43. Two professions of faith have been reported through August of this year.

Rev. An Minh Phan has been busy this year visiting several cities in North Carolina to witness to Vietnamese. He has also spent a lot of time helping with the Vietnamese Refugee Resettlement. On September 9, the Vietnamese family of 14, sponsored by the association, made a commitment to become Christians. Mr. An is helping them with this commitment with a goal of leading them to a personal experience with Jesus Christ.

During this year all of the language pastors and coordinators attended the State sponsored Language Missions Retreat and three attended Home Missions Week at Ridgecrest. Our language work was highlighted in the Church Leader magazine as a part of State Missions and was also a part of the North Carolina Missions Offering Filmstrip.

Language Missions in this association are recognized as leaders in this area of ministry.

Respectfully submitted,

Ronald W. Loftis, Director of CSM

YOUTH AND FAMILY SERVICES REPORT

We have continued our efforts in 1979 to have a strong Friends of Youth Program. This mission has a potential as great as any other we might initiate. There are hundreds of youth in our association who need the friendship our Christian brothers and sisters have to offer. Our greatest problem is that of locating you who are willing to commit yourself to this ministry.

We offer at least one training seminar annually to prepare volunteers for this ministry. Our seminar leadership is provided by the State Department of Human Resources, Juvenile Court officials and others.

Some who have been through earlier trainings have completed their contract. Also, some youth have grown out of the program. We currently have 12 volunteers working with 7 youth. We hope you will consider this as a ministry you can do.

Respectfully submitted,

Ronald W. Loftis, Director of CSM

PRISON MINISTRY REPORT

Rev. Claude Carter has for nearly 10 years supervised the ministry to inmates in the City/County jail. Each Saturday there are two worship services and on Thursday evenings there is a Bible Study in the new chapel.

Many of the inmates are enrolled in home Bible Study which they continue after their release.

Nearly 40,000 persons spend some time in the jail in Cumberland County. Because of a recent change in the law some of these have been tried, convicted and sentenced to 180 days. The great majority are awaiting trial or bond.

Volunteers are trained to work with the inmates during and after incarceration and with their families while the inmates are in prison.

You have helped greatly this year through your gifts of Bibles. Thank you for your continued support.

Respectfully submitted,

Ronald W. Loftis, Director of CSM

COOPERATIVE MINISTRIES REPORT

The function of the Cooperative Ministries Committee for the past year has been to work and worship with the Union Baptist Association.

The now well established February brotherhood Sunday was better attended this year than in years past. We are especially grateful for the involvement of the Massey Hill youth choir.

Our Annual Semi-Revival was held in the Massey Hill Baptist Church and the First Baptist Church / Moore Street. Attendance was good. Expectations and aspirations run high for this event in the future. Offering proceeds from this week more than offset budget monies for all Cooperative Ministries programs.

A third Cooperative Ministry was the Backyard Bible Club project in the Southgate area. Results of that project are still forthcoming.

Respectfully submitted,

Daniel P. Stiles, Chairperson

MOBILE HOME MINISTRIES REPORT

During the summer of 1979, the Sunday School Department assisted the association by providing training and salary for a leader in Backyard Bible Clubs. Mr. Steve Loftis, a student at Wake Forest University and member of Arran Lake Baptist Church, served in this capacity.

Steve began his summer by meeting with several church leaders and scheduling times he could provide training for the church youth and arrange a Backyard Bible Club on the church field. As a result of these efforts Mobile Home Ministries were successful in (14) churches becoming involved and a total enrollment of (327) in 32 clubs.

We were privileged to have a group of fine young people from Jonesville Baptist Church that worked under Steve's supervision in several Backyard Bible Clubs with their puppet ministry.

As always the objective of this program is to assist the local church in developing a ministry in Mobile Home Parks that will result in extension of Sunday Schools and other church outreach.

Respectfully submitted,

William W. Beasley, Chairperson

LITERACY DEPARTMENT REPORT

In literacy missions, we held a workshop at Arran Lake Baptist Church on March 21-23. There were 8 people trained to tutor. Of this number we have 5 that are active. We now have a total of 16 active tutors for this year. Our tutors work mainly with school age students who need help with reading. We work through the schools and work with the teachers.

In literacy missions we are also concerned with other needs the child or his family might have. If there is a clothing need we try to help with that. Sometimes we can help with food, job placement, etc. as well as spiritual concerns.

There will be a 16 hour Tutor-Training Workshop to be held on October 26-27 and November 2-3, 1979, at Village Drive Baptist Church.

Our association now has its own tutor trainer and she will be leading this workshop.

Respectfully submitted,

Ruth Ann Thomas, Chairperson

EMERGENCY AID REPORT

During the past 12 months this department has administered emergency assistance to 137 families. Actually monetary aid amounted to \$4,344.03. Although we helped fewer families this year than last (144 in 1978) the total dollar value increased by 24%. Because of a lack of funds we were not able to help all who came who had legitimate needs. From January thru August we used only \$666.00 of the \$3,000.00 budgeted because we did not have the money to help. Most of our assistance was done through items at the Samaritan Goodwill Store and from special appeals for designated help. You made this possible.

We want you to know that we try to be good stewards of the money we are responsible for and we, thus, give it only to those we feel are the most genuine and have the most immediate needs.

We are constantly in need of canned goods, peanut butter, canned meats, etc. We are cooperating with Red Cross, Salvation Army, Department of Social Services and Urban Ministries.

Thank you for your continued support.

Frances West, Chairperson

SHAW HEIGHTS MISSION REPORT

Last year I reported great expectations. In the past year, however, we suffered setbacks in attendance, lost membership and had financial difficulties.

Several of our members moved from the area and transferred their membership.

Over the past year we lost about 12% of our outside income. Many times we've had to pay our pastor in installments as the money became available. In an effort to cut expenses, we have limited our secretarial services to Monday and Friday mornings. Our offerings from within the congregation have increased 15%.

Tereasa Moore is now our secretary. Marcia Knight and her family have moved out of the area.

Our pastor began his work in the T.H.M. program at Southeastern this summer. His classes are scheduled for Tuesday each week this fall.

The leaders of the church are addressing themselves to the problems. We have reorganized our Sunday School classes in an effort to increase attendance and provide more effective teaching. A formal visitation program will be initiated. In October we'll take a serious look at our budget and make pledges for the coming year.

The WMU prepared health kits for the migrants this summer. They also sponsored a World Hunger night. Our offering toward World Hunger was \$100.00. Combined Lottie Moon and Annie Armstrong offerings were \$206.00. Our goal toward North Carolina Missions is \$150.00.

I don't have large numbers and great happenings to report. The lives of those within our mission have been sustained. Some in the community have been touched by our ministry.

In the last weeks we have experienced a surge in attendance. Three have made professions of faith.

Our efforts and prayers are showing results. God is working through us.

Let our concerns be yours. We need your prayers. Thank you for all you have been to Shaw Heights in the past year.

Respectfully submitted,

SEMINARY EXTENSION REPORT

1979 was a banner year for this particular ministry in our association. This year, for the first time, Seminary Extension courses were offered in cooperation with Campbell University. Two courses were made available in February. Each course gave 2 semester hours credit to Campbell. One course did not have the minimum number to enroll. However, the course in New Testament survey had 12 students and was a success.

In September, two more courses were offered and both are proving successful. This is an excellent way for persons to increase their Bible knowledge and get a step ahead of college at the same time.

Another course offered in September did not have a sufficient number to justify its continuation so it had to be cancelled.

October 16 marked the beginning of a new course. This course is not a part of the Campbell series. It is designed for those who wish to prepare for the January Bible Study.

Don Yancey, Chairperson

MIGRANT MISSIONS REPORT

In the late Spring of this year our ministry to the migrant farm workers began. During the summer months and continuing into the fall many people have been touched by the love of God.

We have had on-going ministries at two camps but this was not the limit to the ministry. Spanish speaking migrants and their families were touched by the ministry of Mauricio Vargas. He has Backyard Bible Clubs with the children and visitation to the families.

We are happy to report that we had two professions of faith through our ministry.

Thanks to the churches of the association for providing health kits for distribution to the migrants (over 1000 received).

Thanks to Rev. William Beasley, Will Williams (both of Calvary Baptist Church), Lacy Autry of Autryville Baptist Church and my wife, Judy, for their faithfulness during this year's ministry. Thanks also for those others who were able to help with the ministry from time to time. Dale Childress from Campbell University and Esther Faircloth from Long Branch Church were very instrumental in this ministry.

An inter-associational/inter-denominational committee was set up this summer and has been helpful in the ministry.

Is the ministry to the migrant farm workers working? The following letter was received by me:

Donald North
P.O. Box 522
Wayland, N.Y.
(August 26, 1979)

Hello,

How are you and your family, this fair afternoon? Fine I hope, I am well, in fact all of us are. And I pray that each of you are

enjoying all the blessings God has to offer and all of the true happiness that only those who really know the Lord can have.

Our trip was a safe one even though some of us found it boring (namely me) and I guess I wish it could have been done quicker. But I am sure it was done at the pace set by the Wisdom of God.

I am sure the truth of the matter is I did not really want to leave North Carolina.

The fellows and the ladies all send their warmest regards but ask that you remember us in your every prayer.

Again Pat and I wish each of you the very best of life and all the happiness possible. Tell the other gentlemen that the song leader sends his hello!

Sincerely,

Dan & Pat

Is the migrant ministry reaching people? You better believe it.

If you would like to know more of this ministry please feel free to call on me.

David T. Shirley, Chairperson

YOUTH CAMP REPORT

The youth camp was held August 6-11, 1979, on the campus of Wingate College. This was the 9th consecutive year for youth camp at Wingate. We had 307 campers, counselors and faculty from 20 churches in our association.

This was a week of fun, fellowship and growth for everyone involved. The chaplain, music director (musicians) and discussion leaders (teachers) did a tremendous job in leading the Bible study and worship periods. There were 12 professions of faith and several rededications during the Thursday evening worship service. Thursday evenings have traditionally been set aside for opportunities for commitments during youth camp. This was a highlight of the week.

My thanks to the camp committee, staff of New South River Baptist Association Office and to all who helped make the camp a great success.

Respectfully submitted,

Floyd Helms, Camp Director

The Council on Christian Life and Public Affairs is made up of twenty persons selected by the Convention. Eight come from the General Board, while the remaining twelve are elected at-large. These persons give overall leadership to the Council's staff.

There have been two changes in the staff. W. Douglas Cole has recently been named Director of the Division of Christian Life and Public Affairs. Earlier in the year Ted W. Williams was named Director of the Department of Aging.

The Christian Life Council has been concerned with a number of moral issues during 1979. The status and health of the family is of great importance. In an effort to strengthen family relationships, the Council has been involved in marriage enrichment retreats and associational family life conferences. In addition, a marriage enrichment retreat was held for ministers and their spouses. A family life poster has been printed and is being made available to churches.

More than seven hundred North Carolina Baptists participated in the newly-formed Legislative Information Network. Members of the Network received a guidebook containing relevant information on the North Carolina General Assembly. In addition, a regular newsletter was mailed to all participants, keeping them informed on a wide variety of legislative issues of interest to Christians.

Work by the Department of Aging was begun this year. Under the leadership of Ted Williams, the Council has sponsored a Senior Adult Conference and a Senior Adult Retreat. Efforts are being made to designate a senior adult co-ordinator in many churches and associations. As the number of senior adults in our society grows, it will be increasingly important for us to find creative ways to minister with senior adults and to help them to deal with the problems of growing old.

The plight of millions of hungry and starving people around the world has continued to hold the attention of Baptists. A packet of materials was prepared by the Christian Life Council to aid churches in the observance of World Hunger Day in August. Many churches have participated, through special services, offerings, study groups and other means, in helping hungry people around the world. Many more need to become active in feeding some of Jesus' brothers and sisters, in his name.

Applying the radical teachings of our Lord to our day-by-day lives is not easy. Jesus said that in order for his followers to come after him, they must first take up their crosses. The task of the Council on Christian Life and Public Affairs is to help North Carolina Baptist to live life as Christ would have us to live it.

W. Douglas Cole, Director
J. George Reed, Department of Christian Citizenship Education
Ted W. Williams, Department of Aging

BAPTIST CHILDREN'S HOMES REPORT

Children in the care of the Baptist Children's Homes are like children anywhere you find them. They are looking to and receiving guidance from caring adults, their minds are being enriched in appropriate educational development, their spiritual needs are being attended, they are happily at play and they are contributing to the lives of the people close to them. Many of them are finding it possible to become a part of a reestablished family because the important relatives in their lives are served by the Children's Homes while the child is in care.

There is a continuing need in our society for existing programs of service. Flexibility and change are the order of the day for the Baptist Children's Homes to meet whatever human need is expressed as the family confronts societal pressures. This is a real challenge.

North Carolina families have ready access to a variety of services offered by the Baptist Children's Homes. A Family Services Center has been created to serve a ten county area surrounding Pembroke with administrative offices at Odum Home. A call to that office should put families in touch with information and help when they need counseling, emergency care, maternity home services or placement of children for longer terms of care. Staff from this office also is able to work with area pastors and denominational leaders to plan programs in family education and to offer assistance in day care and early education in churches and other family oriented interests.

Every effort is being made to be a part of and cooperate with the Bold Missions program of advance fostered by the Baptist State Convention in cooperation with the local church.

An indepth, comprehensive self-study of every segment of the Baptist Children's Homes is just being concluded by the institution's trustees. The study has taken two years and projects the future direction of the Homes over the next decades.

A major portion of the 1978-79 operating budget of the Homes comes from the local church through the Cooperative Program, Special Gifts and the traditional Thanksgiving Offering. This has helped make it possible to operate thus far this year within income. We are prayerfully concerned, and optimistic, that sufficient funds will continue to come to provide needed services to families and children.

Pastors, other church leaders, and Associational leaders are asking for help in ministering to families. Services of the Homes are being localized as rapidly as possible in order to join hands with these concerned people.

Gentlemen:

We have made a limited examination of the books and receipts of the New South River Baptist Association for the year ended December 31, 1979.

The following schedules are submitted:

Schedule "A" - Statement of Recorded Cash Receipts

Schedule "A-1" - Statement of Recorded Disbursements

Schedule "B" - Statement of Recorded Savings and Loans Outstanding

Schedule "C" - Statement of Recorded Cash Disbursements and Budget Comparisons

Schedule "D" - Statement of Contributions from Churches

Our examination was directed primarily to the verification of the financial condition of the Association, and included a general review of the Income and Expense accounts, for the purpose of preparing the Financial Statement for the Year Ended December 31, 1979. It was made in accordance with generally accepted auditing standards, applicable in the circumstances, and comprised such tests of the accounting records and supporting evidence and such other auditing procedures as we considered necessary.

In our opinion, the accompanying statement presents fairly the recorded cash receipts, and disbursements of the New South River Baptist Association on a basis consistent with that of the preceding period.

Respectfully submitted,

DIRECTOR OF MISSIONS REPORT

During this past year, and more especially since our Spring Semi-Annual Session, we have seen some major changes of direction beginning to take place within the organizational and leadership focus of our denomination.

There has been an increased concern in the past of our people to have more specific study and training on the role and task of Deaconship in the local church. Several workshops have been held. In some cases these were for the entire church, not just the deacons alone. An organization for the deacons of our association is being finalized.

Groundwork has been laid for a major focus on Sunday School work during the months ahead, by planning toward having ASSIST Teams in each of the ten groups of our churches. This will enable us to make more thorough plans for associational-wide central training schools on the "Back to Basics" emphasis in Sunday School work. The central training schools will be held simultaneously in each of the ten groups of churches. This coming year should be one of the greatest years in Sunday School work we have ever experienced. Our deep appreciation to Ed Rasberry who has served as our S.S. Director for some eight years and has been a source of inspiration and encouragement in some fundamentals of S.S. work being emphasized. During this past year, our association was one of a few in the state with an increase in S.S. enrollment. And yet there is much to do, if we are to more readily teach and share His work with the whole world by the year 2000.

Our deep appreciation to Mrs. T.E. Nance and Brother Robert Phipps as well as to those who serve so effectively in the W.M.U. and Brotherhood organizations. It has been so exciting to see the responses of our churches and leaders in the mission area of work.

This year our Executive Committee voted unanimously to look with favor on becoming involved in a joint sponsorship of an association in West Virginia with the understanding that it be coordinated through our State and West Virginia Convention leadership. We feel this can be a very exciting and valuable experience in the months ahead as we seek to make Him known to the whole world.

Our new Video Player has been ordered and with all the materials available for developing and training of leadership in the association and our churches, this could become one of the most valuable pieces of equipment in use in His Kingdom's work. May God grant that it be so! This has been an exciting year -- this next year looks as if it will be even greater. Continue in prayer for us as we seek to serve Him together.

WOMAN'S MISSIONARY UNION REPORT

The goals of the WMU Council for this past year were to organize new work in churches where none existed and to expand work in all other churches. The Council attempted to make themselves available to help organizations individually and every church received information by mail, telephone or by visits.

Work was expanded in Baptist Women, Baptist Young Women, and G.A.'s. New work was begun in Baptist Women at Evergreen, Spanish Mission, Korean Mission and Bonnie Doone reorganized.

There were three Leadership Conferences held in the fall to assist and train church WMU leadership. Conferences were held in September at Roseboro and Lake Lynn. A third conference was held in December at Center. There were 219 attending and 44 churches were represented during the three conferences.

The state-wide WMU Mission Action project was to supply needed items for the N.C. Correctional Center for Women in Raleigh. New South River Baptist Association supplied soap, shampoo, and note paper for 200 women.

BIBLICAL RECORDER REPORT

Faced with the same inflationary pressures that every family had these days, the Recorder has managed to get through another year without an increase in subscription rates. A church can still send the Recorder to resident families for only 7 cents a week per family, less than half the cost of a first class stamp and the best bargain in Christian literature to be found anywhere. Thus the Recorder is doing its best to hold the line by getting out a good paper at reasonable cost.

It has been another newsworthy year for Baptists and the Recorder has stayed on top of all that's happening. At the State Convention last November in Winston-Salem, a new relationship between the convention and Wake Forest University was approved. Messengers who attended were well informed and the issue was settled without serious division or controversy. This is just one illustration of how the Recorder informs North Carolina Baptists on vital matters affecting them. Nothing can take its place, certainly not the secular press which has so many denominations to cover.

Even though it was not a Baptist issue, the Recorder was able to set the record straight on an anonymous petition being circulated about "The Sex Life of Jesus." Not only did the Recorder run news stories and editorials on this matter, it responded to numerous telephone calls. It was able to tell people the truth about something that never did take place -- and the story was at least four years old anyhow.

Never has there been more misinformation circulated among our Baptist people. Those who do not receive the Recorder are easy victims for all types of misleading stories and rumors. Add to this the deliberate efforts of some groups to siphon off the loyalties and money of Baptist people and there's a strong case for sending the Recorder to every church family. See that your church makes this move in the coming year.

EVANGELISM REPORT

All Baptists are urged to participate in the Joint Statewide Evangelistic Crusade in 1982. The theme will be "Here's Hope". Interpretation Meetings will be scheduled across the state to share suggested plans and basic thrusts for the 1982 Joint Crusade effort, which is co-sponsored by the Baptist State Convention of North Carolina and the General Baptist State Convention. The Simultaneous Revival dates for the three areas of our state are: Coastal, March 14 - 28; Piedmont, April 4 - 18; and Mountain, April 25 - May 9, 1982. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1982.

"Bold Witnessing Churches" was the theme of the 34th Statewide Evangelism Conference, February 4 - 5, 1980 at First Baptist Church and War Memorial Auditorium, Greensboro. Eight practical Evangelism Conferences, related to helps for growing churches and discipling members, were held during the first afternoon session at the First Baptist Church, Greensboro. About 2,400 pastors and lay persons heard inspirational speakers at War Memorial Auditorium.

Recently the Executive Committee of the General Board approved the department name change from Department of Youth and Renewal Evangelism to department of Personal Evangelism. Richard W. Everett is director of this department. His department work now includes various phases of witnessing training for youth and adults.

Fifty-four associations have now involved their churches in a Bold Evangelism Clinic, encouraging church leaders to plan specific, on-going programs of evangelism in the local church, with the use of the notebook, Bold Evangelism through the Local Church. The other associations in our state are asked to plan a Bold Evangelism Clinic this fall or next spring. Also, every church is urged to enlist a Local Church Task Force on Evangelism to involve more members in direct witnessing to unsaved persons.

New materials on Lay Evangelism Schools prepared by the Evangelism Section of the Home Mission Board are now available for use by our churches. The Lay Evangelism School is a one week effort to train youth and adults to become more effective witnesses for Christ to the lost.

Evangelism Clinics for bi-vocational pastors are now being held across the state to assist pastors of rural small churches, and churches with no baptisms in practical ways of evangelism planning to involve members in witnessing.

Thousands of youth were involved in the 10th Statewide Youth Evangelism Conference at Greensboro Coliseum on Friday, August 15, 1980. A Discipleship Seminar was held during the afternoon session at Immanuel Church. We thank God for the hundreds of youth who have made various decisions for Christ during this ten year period.

The 35th Statewide Evangelism Conference will be held in Asheville during February 2 - 3, 1981.

CHURCH TRAINING REPORT

Thirty out of eighty-six churches in the New South River Baptist Association have a Church Training Program. Some churches have a very effective training program using the church training quarterly.

I hear many people, that have grown up in a church which had church training, say they began taking part in church work at training union.

If our young people get a chance to take an active part in church today they will make greater leaders for tomorrow.

Sunday night is a good time for church training. However, each church needs a training program on the most convenient night for the church community.

Some churches may have a training program during the week but do not count themselves as having church training. In this case, to be counted in the association, the church must elect a church training director and secretary. The secretary should keep records and report to the association about the training program in that church.

I believe some of the greatest literature the church training program has today are the equipping center modules. These modules can be studied in large or small groups. I think if a church will study these modules and be in constant prayer as they study them they will be richly blessed.

There are now sixteen modules available. These modules are: How to Witness, Making Good Marriages Better, Your Home and Christian Discipline, Born Again, The Doctrine of Salvation, The Christian Confronting the Cults, Deacon's Training to Minister, The Bible Speaks on Current Issues, How to Study Your Bible, Training Sunday School Workers in Outreach, The Baptist Way, How We Are Different, God's Bold Plan for Missions, Understanding Baptist Beliefs, The Bible Speaks on Personal Crises, How to Pray for Others, How to Motivate People, Your Family Learning, Loving, Living.

I believe these modules will give the church a greater understanding of the scripture and of the Baptist doctrine. I also believe it will create a greater desire to witness about the love of Christ and the joy of knowing Him.

BROTHERHOOD REPORT

The Associational Brotherhood officers set two main goals for this year. The first goal was that each officer receive training at the State Convention level. This goal was achieved as each Royal Ambassador leader received training in a State Convention Workshop while the Brotherhood Director received training at the Regional Training Institute, Toccoa Falls, Georgia. The second goal was to assist as many churches as possible in beginning new Baptist Men or Royal Ambassador units, or improving existing units. Before the church year ended, 25 churches had been assisted by brotherhood officers.

Training continued on the associational level with a Brotherhood Workshop at Stedman Baptist Church in October. There were approximately 60 persons registered. State Convention personnel informed us this was one of the best attended workshops in the entire state. We anticipate conducting annual Brotherhood Workshops within the association.

The Royal Ambassador track and field day was a great success this year. Last year only three teams participated; however, this year, nine teams participated with 22 of our Association Royal Ambassadors going to the state track and field meet. Two of our boys, Tony Smith from Pleasant Grove Church, and Ricky Chandler from Village Drive Church won their events at the state meet and thus earned the right to represent Royal Ambassadors from North Carolina at the Tri-State Track and Field Meet. We believe the track and field day will become one of the big events in our association for Royal Ambassadors.

Another event which proved successful was the Royal Ambassador Conclave held in August. This was the first such event held in our association. It consisted of games for both Crusader and Pioneer Royal Ambassadors, food and drink, a missionary and an inspirational message. Nine churches participated in the Conclave with 73 persons being registered. Our Royal Ambassador leaders plan to conduct another conclave next year but at separate times for the Crusaders and Pioneers.

One of our Royal Ambassadors, Kenny McLamb of Pleasant Grove Church, was selected by the State Convention to participate in a special missions project at Tok, Alaska. One of the significant things about Kenny's selection was that only 3 Royal Ambassadors from the entire state were selected for this honor. The selection was based on contributions and achievements made in the Royal Ambassador Program.

Two of our Associational Royal Ambassador leaders were selected for membership on State Convention Committees. Tim Hall, Pioneer Leaders, was selected to serve on the State Royal Ambassador Committee, and Vance McLemore, Crusader Leader, was selected to serve on the State Sports Committee. Their expertise derived from these committee duties should enhance our associational program.

One of our goals for the coming year will be to have a full slate of Baptist Men officers. This will enable us to plan more Baptist Men functions and encourage more participation in mission projects throughout the association.

Respectfully submitted,

Robert A. Phipps

HISTORIAN'S REPORT

CONCORD BAPTIST CHURCH

July 30, 1842

21 Charter Members

Concord has a history of which to be proud, being the mother church of Long Branch Baptist (1875) and Evergreen Baptist (1879)

The church first began to meet in the Sandy Creek Meeting House. The building had a three-fold purpose; Missionary Baptist Church, Methodist Church and a school house. Later, the building was disassembled and moved by being placed on drags. Concord continued to meet in this building for worship.

The church agreed to build a new church in May 1903. The land was cleared in 1905. The church was built according to specifications except the steeple was never added. The church had two front doors, one for the ladies, one for the men. Homecoming Day of 1972, the new Fellowship Hall was dedicated. The new Educational Building was dedicated on Homecoming Day of 1976. The building was valued at \$70,000 with an actual cost of \$38,000.

From the time of organization, the church has strived to meet the physical as well as the spiritual needs of the people. From the church records, several accounts are listed of the church helping not only their church community but also other churches.

Many saints have labored here and their contributions to this local church and the Kingdom of God are great. James L. Autry was a Captain in the Confederate Army and lived in Autryville for whom the town was named. He left Concord to become one of the charter members of Long Branch. Thomas Bullock became a medical doctor and practiced in Autryville for many years. Roger Jackson served as pastor for 22 years (1950 - 1972). During Roger's leadership as undershepherd of the flock, the church not only grew in membership and spirituality, but grew rapidly in other ways. Rev. Frank Davis became pastor in 1972. The church has continued to grow under his leadership. New additions that have been made are a piano, organ, and an Educational Building.

CLEMENT BAPTIST CHURCH

April 21, 1888

30 Charter Members

Mother churches for Clement were Long Branch, Baptist Chapel, and Magnolia. Many of the charter members had the name of Autry, Royal, Matthis, Matthews, Bagley, and Faircloth. Many of these family names are common in the church family today.

The church was first called LeRoy Baptist Church in memory of James L. Autry's deceased daughter. J.L. Autry presented to the church, a house and land upon which the church stands, with furniture and books.

The church met 22 September 1888 and changed the name to Clement. The church asked admission into the South River Association. \$3.00 for Associational Missions and \$2.00 for the Foreign Missions was sent.

A building committee was elected in September of 1946. A new church sanctuary was built in front of the old church.

A committee was appointed in April 1951 to investigate the offer of lots for a parsonage and the estimated cost of building materials. A seven-room house was to be build on a lot given by Mrs. Anna Autry and son, James.

Clement Baptist Church

Plans for an Educational building addition were discussed in December 1954. A three-story building consisting of space for four classrooms on each floor. In November 1955, John Love Holland of Salemburg was contracted to build the Educational Building at a cost of \$18,000.

These three ministers were members of Clement, J.M. Page, W.P. Page, and T.P. Williams. The minutes of the New South River Baptist Association in 1971 were dedicated in memory of Rev. Earl Pearson, who was pastor of Clement from 1966-1972. Rev. M.J. McManus has been pastor since April 1972.

Clement Baptist Church has had influence throughout the association. In March of 1967, the church voted to help finance a double wide mobile unit for use in the association. The church purchased a table and lamp for the Bill Ross Memorial Room at the Associational office.

Acknowledge Mrs. Mildred Matthews, Church Clerk

LONG BRANCH BAPTIST CHURCH

Long Branch Baptist Church was organized September 11, 1875. There were 32 charter members (29 brought letters from Concord Baptist (Mother church), 1 letter was brought later; and 2 were baptized. At the time there was no church in this area. The church (Rev. H.S. Spivey, pastor) met under an oak tree and in private homes until the church building was built in 1880.

The original sanctuary of the church is still in use. In 1948, classrooms were added at a cost of \$3219. Members of the church donated labor and materials. In 1966, a fellowship hall, kitchen, and classrooms were added to the back of the church. In 1970, the sanctuary was renovated. This was made possible by memorial gifts and special gifts. In 1974, the church front was extended providing room for a nursery, library, and a columned porch at a cost of \$23,000. The Dedication Service was held June 22, 1975.

The W.M.U. was organized in 1938. The Acteens and G.A.'s were organized in 1970, and the Young Baptist Women (Mrs. Mila J. Faircloth Circle) in 1976. The ladies are active in community missions. Each month gifts are taken to the sick/shut-ins. Donations are taken for the needy.

The men's fellowship breakfast was begun in 1974 and organized in 1975.

The church has had several celebrations over the past years. On September 19, 1969 Mr. Kirby Hall was honored for over 53 years of active service. Centennial Celebration was held October 12, 1975. Rev. G.N. Ashley, who has been pastor since 1944, was honored with a surprise birthday lunch on May 4, 1975. October 17, 1976 the church honored Rev. and Mrs. Ashley on the 50th Anniversary of his Ordination to the Gospel Ministry.

Other articles of interest. The church held their first VBS in 1960 with 83 in attendance. There were 15 professions of faith. In the late 70's, the church gave almost \$1000.00 to the Director's Residence at Odum Home. Donations have been made toward the building of the Clement Civic Center. About 50% of the church members are descendants of the charter members.

Mrs. Malissie Faircloth has been church clerk since 1953. She has been most prompt in getting her church records together for publication.

(Historian's Note)

James L. Autry was baptized at Concord Baptist Church 15 October 1854. Captain Autry as he was called, helped to establish Long Branch Baptist Church (1875), and Clement Baptist Church (1888). He donated land and a house to Clement. Many of his descendants are active members in the two churches he helped to establish.

CHRISTIAN HIGHER EDUCATION REPORT

There are seven North Carolina Baptist colleges and universities: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. Baptist in their roots and their affections, these schools are Baptists' educational mission in our state. There are 53 such colleges, including these seven, related to state conventions within the Southern Baptist Convention.

The highest priority of your Baptist colleges is to serve God and man through Christian higher education. Ours is a secular world which views life and history, and even man himself, as having no over-arching purpose.

To this hopeless view of the world, the Christian church through its colleges and universities has an essential message. The message is that creation has purpose, life has meaning and direction and persons created in the image of God have eternal significance.

The task of the Christian college is large and complex: searching for answers to perplexing problems; guiding the lives of youth who have been greatly influenced by the values of secular society; and interpreting this task in love and with reason to those who do not always understand the difficulty of the college task.

Your North Carolina Baptist colleges see themselves as you see them, as a valuable part of Christian missions. They operate out of the conviction that God's Holy Spirit leads persons in the discovery of truth, that through the Bible God has given us a sufficient guide for faith and practice, and that man is a sinner by nature who cannot save himself or redeem the world in which he lives.

Baptist young people are sought and welcomed by Baptist colleges. We call upon the churches, through pastors and other leaders, to encourage Baptist youth to apply for admission to Baptist colleges. When they do, a creative blending of Christian education, financial assistance and spiritual guidance will help to shape them as tomorrow's leaders in the church, community, state and nation.

We thank you for your support of the colleges. We request your earnest prayers for each of them.

BAPTIST CHILDREN'S HOMES REPORT

For two and one-half years members of the Evaluation Committee of the Board of Trustees of the Baptist Children's Homes of North Carolina, Inc. were engaged in a self-study and self-evaluation of the institutions total ministry. The study was made in the light of the Home's purpose, services being rendered, and to anticipate services needed in the foreseeable future. The results of this study were shared with the full Board of Trustees on Sept. 19, 1979. The report was enthusiastically and unanimously adopted.

As a result of the evaluation study certain priorities have been defined and plans of action have been determined to assure continuing excellence in child care and family services. Long range plans have been developed for the next several years to assure continuing effectiveness in broadening the Christian influence of the Children's Homes. The American family is recognized as our greatest challenge and opportunity. Services to children and families will be the major thrust of the Children's Homes in the foreseeable future.

Dr. Olin T. Binkley, Chmn of the Evaluation Committee, made the following summary statement in presenting the report to the Board of Trustees.

--The task of the Baptist Children's Homes of North Carolina is a statewide Christian ministry of child care and family services. Are we aware of the magnitude and momentous value of this mission and ministry?

--The advancement of this mission and ministry requires (1) wise and resourceful leadership, (2) a well trained and highly skilled staff who really care for children, (3) a carefully planned program of child care and family services, (4) appropriate physical facilities, (5) adequate funds and sound fiscal policy, and (6) the confidence and support of an informed and devoted constituency.

--At this time the Baptist Children's Homes is in a position of strength. This strength comes ultimately from God and is discoverable in the commitment, the competence, and the faithful work of His people engaged in this ministry.

--This is not a time for complacency in child care and family services in North Carolina. It is a time for rigorous study, reflective planning, earnest prayer, and courageous action.

Necessary to the fulfillment of the ministry of the Children's Homes are "people" resources and financial resources. Dependence upon the spiritual, emotional, intellectual, professional, and skilled abilities of informed constituents, friends and dedicated staff is essential to meeting the challenge. This, coupled with adequate financial support, will assure a strong and positive ministry to children and families in the 1980's and beyond. To this mission, members of the Board of Trustees and members of the staff are committed.

STATEMENT OF MISSION

The Mission of this institution is the care of dependent, neglected and homeless children; emotionally disturbed children; unwed mothers and their children; and the rendering of related services to their relatives. The institution is also dedicated to working with other organizations and programs in an effort to strengthen wholesome Christian family life throughout the State. The broad purposes of the Institution embrace services directed toward the preservation, conservation and rehabilitation of families to avoid wherever possible the placement of the child away from his home. Counseling services by skilled personned are utilized in efforts to prevent family disintegration.

In its Christian consciousness the Baptist Children's Homes sees the purpose of its ministry as the redemption of the child and the family. This ministry includes the expression of love and wisdom in evangelism, missions, and education with emphasis upon a constructive attitude toward problems and the intellectual and spiritual growth of children and youth toward mature manhood and womanhood.

SERVICES RENDERED 1979

The lives of more than 4,500 people were affected in a significant way by the services of the Children's Homes during the past year.

The Homes provided care and related services for 1,547 children. Of this number, 1,184 received continuing services, while 363 received social work, counseling, and referral services. Applications for 46 children were in the process of evaluation at the end of the year.

Through members of the staff, a close working relationship was maintained with 2,330 adults while working with the children. Consultant services were provided for more than 500 other adults through the Child Development Center, family counseling, and related family education workshops.

BAPTIST FOUNDATION REPORT

This is the 60th Birthday for the North Carolina Baptist Foundation. Chartered in 1920, it was born out of a need to provide a channel for gifts and bequests which would be held in trust. Thus Baptist people were enabled to have a continuing part in support of every mission effort, every ministry of Baptists, even after their own deaths. Through these sixty years, your Baptist Foundation has received, administered, and distributed gifts to Baptist colleges, Children's Homes, Homes for the Aging, Foreign and Home Missions, State Missions, Baptist Hospital, churches, associations, and the Cooperative Program. The Foundation receives no money for its own use -- it only serves as trustee for all these Baptist causes.

The Foundation accepts gifts for Baptist causes in a variety of ways. The most frequently used method is a testamentary gift. This is simply a transfer of assets through a Will. During the past year, the Foundation Staff has attempted through Pastor's Conferences, senior citizens groups, Baptist Women and Baptist Men groups and through personal conferences with individuals to enable the people to extend their stewardship beyond like through the use of a Will. A touching and dramatic film, "A Better Way" depicting the necessity for every adult to have a Will, has been made available by the Foundation for distribution to any church or group requesting it from the Film Library Department of the Baptist State Convention.

A second way the Foundation receives gifts to support Baptist causes is through charitable trusts. Trusts have been established through Will, through purchase of gift annuities and through establishment of annuity trusts.

The Foundation has received Memorial gifts to deceased loved ones. A fund to assist Fruitland Bible Institute has been created. Gifts of real estate for the support of Southeastern Seminary, local churches and Foreign missions have been received. One annuity trust was established with the income, after the death of the annuitants, to be used by the Foreign Mission Board in its effort to assist in the fight against world hunger.

During the past year, through the many ways it is able to accept gifts, new trusts have been established with combined assets of \$650,000. Additions to existing trusts, providing for scholarships, missions offerings, memorials and many other causes, were more than \$370,000. The audit of Foundation records for the year ending Dec. 31, 1979 revealed total increase of assets for the year was \$1,018,681.00 with total assets of the Foundation being \$5,115,000. This is exciting when we remember it is all designated for Kingdom work through Baptist institutions and causes.

In the coming year, the Foundation will continue to emphasize stewardship and commitment. Among major plans is the conducting of several seminars on estate planning for women. The Foundation staff is available for leading worship services, speaking to special groups or for special occasions and for private consultation and counsel.

BAPTIST HOMES FOR THE AGING

With the soaring cost of upkeep and maintenance of residential dwellings, retired individuals and couples by necessity, are taking a new look at their retirement living arrangements. Many "young" active retirees give little thought to the ministry of the Baptist Homes, because there is no desire to live in a domiciliary Home. The Baptist Homes' ministry, however, should be given serious consideration in plans regarding retirement housing.

The ministry of the North Carolina Baptist Homes can begin at the apartment level. Four duplex apartments are located on the grounds of Hayes Home in Winston Salem. The apartments make possible special living arrangements for older persons desiring early in retirement to get more suitable retirement housing. Baptist Homes apartment living is truly independent living with a plus. The plus comes from the assistance received from the Haynes Home staff. On a cost per meal basis, any or all meals can be eaten in Hayes Home dining area. The often-needed assistance in housekeeping can be contracted through the Hayes Home Housekeeping Department. All utilities and maintenance are covered in one monthly fee. The maintenance is done through the Maintenance Department of Hayes Home.

Currently, the eight two-bedroom, two bath units at Hayes Home are occupied. The expressed interest of older couples across the state could expand the ministry of the North Carolina Baptist Homes by the building of single or multi-unit apartments on the grounds at Hayes Home, Winston-Salem, or Western North Carolina Home, Asheville.

For information regarding plans and specifications, call or write Mr. William A. Poole, Executive Director, North Carolina Baptist Homes, Administrative Offices, 2900 Reynolds Park Road, Winston-Salem, N. C. 27107.

The local associations of churches are a key to the effective ministry of N.C. Baptists. Because of the unity on the associational level, a greater union is possible through our Baptist State Convention. Through trusteeship our unity of effort is making possible institutions and agencies which minister in our Lord's name.

The North Carolina Baptist Homes in no small part owe their beginnings to the vision of the Pilot Mt. Association. Around 1945 the association felt the need for a ministry with older persons. As an outgrowth of Pilot Mountain Association's planning and study, land was purchased and funds raised to underwrite a ministry to older persons. The General Board of the Convention began discussion in 1948 about homes for older persons in N. C. Through the cooperation of the Pilot Mountain Association with the General Board's special committee, state work was begun in Winston-Salem with older persons.

Throughout the 29 years of the Baptist Homes' ministry, associations have played key roles in the expansion of the ministry. For example, the associations in the eastern part of N.C. accepted a challenge offer of money and brought about the building of the Hamilton Home, Hamilton. More recently, over 30 associations in Western N. C. rallied to a felt need, raising nearly all of the funds for the Western North Carolina Home in Asheville.

Yes, Associations have been and are still a vital part of the Baptist Homes' ministry. The enlarging of the ministry through service facilities will come about through determined efforts of associations.

A Baptist Home is reasonably close to each association. These homes across the state afford associational churches a wonderful opportunity to minister with older adults. As churches and associations plan "mission trips" to the Baptist Homes' facilities, those on mission always depart having been ministered unto by the residents. By joining together as a group of associations in our state convention, we are a part of a ministry bigger than any of us.

BROTHERHOOD COMMISSION REPORT

Southern Baptists are demonstrating growing interest in becoming involved in missions ministries as their expression in Bold Mission Thrust. That increasing concern is reflected in the response of thousands of Baptist men to disaster relief opportunities created by Hurricanes David and Frederic. It can also be seen as thousands of other Baptist men travel across the United States to construct Southern Baptist church buildings where such mission ministries exist.

Mobilizing Baptist men is becoming one of the spearheads of Southern Baptists as they seek to make a reality the goal of sharing the gospel with every person in the world by the year 2,000.

In the more traditional areas of programs, the small Brotherhood commission staff spent 1,800 days in the field in leader training and promotion. One of the products of leader training were 600 specialists who were prepared to orient church and associational Brotherhood officers in 50 states in 1979-80.

The third annual Bold Mission Leadership Conference at Glorieta, New Mexico, sponsored by the Commission and Woman's Missionary Union, attracted a record 2,050 Baptists.

Other marks of progress included the sponsorship of two national lay renewal conferences and a national Royal Ambassador Congress for 2,000 boys 12 - 17, production and distribution of 2,200,000 copies of six missions publications for Baptist men and boys and the coordination of World Missions Conferences in 25 states which involved 175 associations, 2,318 missionaries, and attracted 1,092 Southern Baptists.

Under the new leadership of Executive Director James H. Smith, the Commission adopted an objective of "Helping Churches Involve Men and Boys in Missions."

To implement the objective organizationally, the Commission restructured its staff into four divisions - Business, Baptist Men, Royal Ambassadors, and communications and Administration.

EDUCATION COMMITTEE REPORT

The year has been a time for emphasis upon education and bold missions. The National Conference on Bold Missions and Bold Christian Education held in June, 1979, established the pattern for emphasis for the year. A follow-up committee concerned with carrying the emphasis to the local campuses became the primary concern of the staff and of the Commissions. Many institutions recommitted themselves to Christian education which carries out the mandate of our Lord to know and teach the truth. They also sought practical ways in which to follow the command of Christ to go and teach all nations. These activities grew out of the commitments which were adopted by the representatives of the institutions at the National Conference.

The year has also brought the recognition that the new and stringent demands of our world and society require spiritual, intellectual, and moral commitment from the various Baptist schools. The rapidly developing technology and growth of human knowledge require a new emphasis on excellence in learning. The growing lack of concern in many parts of society for spiritual absolutes and Christian values has required a new emphasis on our historic support of missions and Christian education in Southern Baptist schools.

The Education Commission during this year also led many of the colleges supported by state conventions (in cooperation with the institutions of higher education from 22 other denominations) to participate in the National Congress on Church-Related Colleges and universities. The first meeting of the National Congress was held in South Bend, Indiana, on June 20 - 23, 1979, and the second meeting was in Washington, D.C. on February 1 - 2, 1980. In these meetings denominations and colleges were challenged to renew their Christian commitment to serve higher education and the nation. The congress resulted in concern that the denominations and the colleges must jointly assume the responsibility for the specialized and peculiar task which has been given to them in influencing higher education with a Christian commitment.

The emphasis on educating for missions during the past year has continued the close cooperation between the Education Commission and the Association of Southern Baptist Colleges and Schools with the Foreign Mission Board, the Home Mission Board, the Brotherhood Commission, and the Woman's Missionary Union. Special programs of training and mission involvement have been conducted on numerous campuses. Baptist colleges and schools are giving enthusiastic backing to the Bold Mission emphasis.

The function of Convention relations was carried out by planning and promoting Baptist Seminary, College, and School Day emphasis on February 17, 1980. The previously adopted goals were continued through The Southern Baptist Educator which included developing a clearer understanding of the work of the denomination for Baptist school faculties, administrators, and trustees and giving attention to the very purpose of church related education.

The Commission has worked through its Denominational Relations Committee by giving special emphasis on better communications with pastors and denominational leaders. The staff has prepared statistical summaries for the annual report to the Convention including enrollment, the number of church-related volunteers in preparation, endowment, property value, and the amounts received from the various state conventions.

BAPTIST HOSPITAL REPORT

During the past year, our hospital has again received accreditation for the maximum period, two years, by the Joint Commission on Accreditation of Hospitals. Only about one-third of the hospitals in the nation receive the full two-year accreditation.

Our hospital is constantly upgrading its staff, facilities and equipment. In recent months, a carbon dioxide surgical laser has been added. The laser emits an invisible beam of light which vaporizes tissue, cutting and coagulating at the same time. It is used now for delicate surgery of the larynx, upper respiratory tract, and lung. It has potential, also, for surgery of other internal organs.

New ultrasound equipment provides improved accuracy in determining location and degree of blocked arteries. The department of dentistry is being expanded to meet an increasing need for specialty dental services. An occupational therapist has been added to the staff to help patients recover functional skills lost through accident or disease. A new instrument has been acquired for testing infants with suspected hearing loss.

The financial counseling section is now better prepared to assist those who need its services. Through a special arrangement with the Forsyth County Social Services Department, social workers and a counselor for the state's Crippled Children's Program are now stationed in the hospital and are immediately available to patients.

The staff and trustees continue to make every effort to keep operating costs as low as possible. In this connection, our hospital recently became a charter member of the Sun Alliance, an organization of 22 large hospitals in nine southeastern states. A primary purpose of the alliance is to keep operating costs (and consequently, patient charges) as low as possible through group purchasing of capital equipment, the development and sharing of comparative data and management information, and possible group arrangements with specialized consultants.

The department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education at several levels, and numerous events in human enrichment and development. During the past year, the department has begun a Minister's Care Plan, in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers. Also, the position of Chaplain to Medical Students has been elevated to a staff/faculty position.

Construction on the Focus Building, on the site of the Old Main building which was torn down two years ago, is almost complete. Several departments of the Medical center will be occupying this building in the near future.

The hospital staff is grateful to the Baptists of North Carolina for continuing financial support. During 1979, the hospital received \$400,500 through the Cooperative Program, and \$357,517 through the North Carolina Missions Offering and designated gifts.

STEWARDSHIP REPORT

I. COOPERATIVE PROGRAM

A dream is only a dream until someone makes it come true. Bold Mission Thrust began as a dream for Southern Baptists in 1976-77 -- a bold dream of greater mission support and church growth. Many people are committed to making this dream a reality. In order for Bold Mission Thrust to succeed, many more people must adopt this commitment.

Two important questions must be asked and answered:

1. Do we have the will and commitment to persist in achieving what we have voted as Bold Mission Thrust goals?
2. Can we learn to live with our commitments?

Officially, Southern Baptists claimed their Bold Mission Thrust dream in 1977. Looking at the years ahead we have mixed reactions of excitement and anxiety. The introduction is over; in 1981 we must demonstrate our willingness to make our Bold Mission Thrust dream come true through our Bold Giving.

Involved in this demonstration are several realities to be considered:

1. Churches need to be faithful in fulfilling their goals of mission giving and church growth.
2. Some churches may need to discover "special roles" in the bold endeavors they have adopted;
3. Church leaders must lead the people to adjust lifestyles and values in order to achieve Bold Mission Thrust;
4. We need a strong zeal and spirit of cooperation to attain the S_____goal of our 1981 associational missions program.
5. We need a strong commitment to reach the S_____goal for our 1981 State Cooperative Program budget.
6. We need a greater concern for people in order to bring about a new "turn around" in attitudes and records in church growth and church member development.

The dream is bold. The people are excited. The mission unmistakably stands before us.

During the past year (19__ - 19__) the churches of our association gave S_____through the Cooperative Program. Our goal was S_____. Last year our churches gave S_____for associational missions. Our goal was S_____.

In our state, our 1981 Cooperative Program goal is S_____. Of this amount S_____ or _____% will be used for State Mission ministries. S_____ or _____% will be used for Southern Baptist Convention mission ministries. Our associational missions goal for 1981 is S_____, an increase over this year of S_____.

Commitment to Bold Mission Thrust calls for specific action on our part as individuals and churches. Every church is challenged to:

1. Give something through the Cooperative Program for Bold Mission Thrust support.
2. Increase the percentage of its total budget income given through the Cooperative Program.
3. Increase the percentage of total budget income for the support of associational missions.

Let every church in the Association demonstrate its genuine concern for and commitment to World Mission through bold living and bold giving.

II. STEWARDSHIP DEVELOPMENT

Developing Christian stewards is imperative in light of biblical teachings and the Bold Mission Thrust objective to give every person in the world an opportunity to hear and respond to the gospel of Jesus Christ by the year

continued --

2000. This calls for faithful stewardship and growth in Christian giving.

The stewardship commission of the Southern Baptist Convention provides leadership, practical aids, and biblically-based materials for assisting churches in developing individual Christian stewards. The current stewardship theme is "Witness to the World Through Christian Stewardship."

The local church will want to provide year-round stewardship development activities for its members. Tracts, activity guides, study course books, visual aids, budget programs, and money management materials are available through the Stewardship Commission to help churches in planning and conducting these activities. The materials cover the broad areas of stewardship education, (giving and money management), mission, budget development and promotion, and accounting (proper handling of the church's money).

WE RECOMMEND:

1. That every church accept the responsibility of teaching its members the principles of biblical stewardship and provide studies and activities throughout the year to accomplish this goal.
2. That every church encourage its members to grow in the grace of giving, and in light of our Bold Mission Thrust goals, to give a greater percentage of their income through their church.
3. That every church seek to increase its budget income during the year by at least 15 percent.
4. That every church develop a unified budget and conduct a budget program that would emphasize the importance of each individual member's giving and involvement in the life and work of the church.
5. That every church elect and train a stewardship committee to assist the church in developing Christian stewards.
6. That the association assist the churches in accomplishing their task of developing Christian stewards by providing information and/or a conference explaining the stewardship resources available to the churches.

SUNDAY SCHOOL REPORT 1979 - 80

The 1979-80 Sunday School year was a busy one in many ways. Brother Stevens and I spent many hours in reviewing the organizational structure and trying to determine the correct and best structure to serve the churches in the New South River Association.

Our association was the first in North Carolina to report a complete Assist Team and had the opportunity to work together several times including, Leadership Training at Bonnie Doone, personal consultation at Macedonia with age-group leaders, Reaching Conferences at Mill Creek and Macedonia and others of team at Cedar Falls for preparation week. It was also my pleasure to meet with the Sunday School Council at Sperring Memorial during Preparation Week on September 16th.

The years I have served the Association as Sunday School Director have been happy ones and very rewarding for me. Thanks to all of you for making this possible. I hope to continue to be a part of the associational team and pledge to you my help if needed.

NOTE. CSM Message presented at our May Semi-Annual Session by Ronald Loftis, C.S.M. Director. I requested the privilege of printing it for the benefit of all our people. It was an excellent presentation.

C.A.S.

WHAT CSM IS AND WHAT IT IS NOT!

There are those yet who do not understand CSM, even as there are some who do not understand associational missions, the co-operative program or other phases of Baptist work, or the Christian Church, for that matter. My effort today is an attempt to share with you what CSM is and what it isn't.

The objective of CSM is "To work with and assist churches, associations and state conventions to express Christian love and to provide a Christian witness through mission ministries such as church community weekday ministries, mission centers, rescue missions, homes for unwed mothers, homes for the aging, child care institutions and programs, adoption centers, youth and family services, day care, literacy ministries, migrant ministries, disaster relief, and rehabilitation work with alcoholics, drug addicts and ex-prisoners."

That objective is a direct quote from the Church Missions Committee Manual.

Traditionally the church has concentrated on strengthening its Bible teaching and training programs through Sunday School and Church Training. Worship hours are highlighted to provide a medium through which the Gospel may be preached. It is at this time that the opportunity is given, not only to accept Christ, but also to unite with His church. Without the church, those who accept Christ would have no place to unite for worship, study, discipling, etc. Without the church, we might not have the complete Bible today. Without the church we would have no rallying point, no collection and distribution point for missions or other financial support.

While there are mavericks in CSM, as there are in other areas of the Christian faith, most of us who are committed to CSM have no desire to take away from or diminish the structured church. Across the state of North Carolina I have observed that CSM Directors are dedicated to encouraging churches to do ministry beyond that which they have traditionally done. It is our desire to assist churches in their involvement in the Great Commission. In so doing, many times volunteers from the local church become so involved in a special ministry that they give the appearance they feel theirs is the only ministry. It is not unlike the Sunday School Director who pushes Sunday School so hard it seems he feels all other programs are of no value.

Those involved in CSM may not be as inhibited by church tradition as some church program leaders are. They also are often out on the cutting edge in new, maybe even controversial, ministries. In most cases the volunteers involved are persons who want to help take the church to people and not wait for people to come to the church.

The objective of CSM is to take the Gospel of Jesus Christ to those persons who, for whatever reason, will not come to church. It is another effort to help reach the goal of Bold Missions Thrust: to present the Gospel of Christ to every person in the world by the year 2000. In order to do this we must take the Gospel to the 5000 plus migrant and seasonal farmworkers who are unchurched and who come within the boundaries of this association each year. We must use methods other than preaching from the pulpit when the preaching has not been successful in reaching a specific element of society. These other methods may be tutoring and language missions, jail ministries, crisis intervention, friends of youth, alcohol and drug rehabilitation, Baptist Center ministries and others. So, CSM is really a means through which the local church and association can find other ways of reaching the goals of Bold Missions Thrust.

continued --

What CSM Is

And What It Is Not!

Page 2

continued ---

CSM is not a substitute for church. It is not Neo-church. It is in no way intended to take the place of the church. CSM is not the opposite of evangelism. It is not even a parallel to evangelism. It is a fallacy and an injustice to Christian missions and ministry, to separate CSM from evangelism. The ultimate goals of church programs and CSM are really a common, singular goal: to lead unbelievers to the saving knowledge of the Lord, Jesus Christ. That is evangelism.

It is the philosophy of many of us that church programs of Sunday School, Church Training and preaching, including mass evangelism, are essential to the spreading of the gospel and will win people from many walks of life. It is our philosophy, also, that CSM is equally essential to win persons who could not be reached by the traditional church programs.

Another way of saying this is: some persons will respond to the gospel when it is preached verbally and appeals directly to their spiritual being. Others, however, must be cultivated through ministries that first meet a physical need and only then are open to an appeal to their spiritual life.

Finally, I would like to say one other thing: Some ministries are more dramatic than others, thus attracting more attention. For example, when Jesus healed the Gadarene demoniac it created quite a stir among the villagers, while his discussion with Nicodemus attracted no attention so far as we know. How can we say one was more important than the other?

Among the apostles, one conversion was dramatic; another was not. We all know most of the details of Paul's conversion, but we know little of Nathaniels or Peter's, for that matter. Likewise, in CSM one ministry gets a lot of attention while another may get very little. The same is true when we compare CSM to church programs. The director of migrant missions may enjoy the limelight for several months. The Samaritan Goodwill Center, language missions, tutoring or crisis intervention may overshadow Deacon training or Sunday School preparation or Stewardship promotions but that doesn't make the former more important than the latter. Budget planning and committee meetings are not glorious within themselves but are necessary to the successful operation of the association. Confidential counselings with pastors and pastor search committees do not allow for publicity yet are very time consuming. These ministries may not add luster to a position but they may mean the difference between life and death for a pastor or a church.

In summary, CSM is one medium through which the Gospel is presented to a lost and hurting world; yet it is only one. The other programs and ministries are important, too. But, don't forget that CSM is not separate and apart from evangelism; it is evangelism.

ORDINATION EXAMINING COMMITTEE

This has been a busy year in so far as requests for examinations for ordinations are concerned.

There have been six called meetings of your committee to question men in relationship to their experience of Salvation, their call, their understanding of the church, its mission, its ordinances and officers. These questions as well as questions on major doctrines of the Bible as well as beliefs about the Bible were answered to the satisfaction of the Examining Council. Each of the men were declared "fit" candidates for ordination, and at the discretion of their individual churches were to proceed with ordination and to present appropriate ordination certificates in keeping with their particular "call".

The candidates and the ordaining churches were:

Pierre Delaby
An Minh Phann
Allan Richie
George Shea
Dale Childress
Ricky Downing

DIRECTOR OF CHRISTIAN SOCIAL MINISTRIES REPORT

I suppose 1980 has been the busiest year of my life. Yet, it has also been a very productive one.

A part of the responsibilities of the Division of Christian Social Ministries is to assist churches and pastors in their efforts to express Christian love through Mission Action. In order to do this we must seek out, motivate and train volunteers. We have tried to be faithful to that task by conducting Tutor-training and Conversational English workshops, an associational Mission Action workshop, a conference for workers with the Mentally Retarded, a Big 'A' Club conference, a Migrant Missions conference, a CSM Council Training Seminar, Seminary Extension Centers and an Interfaith Witness conference. These are explained elsewhere in this book under titles relating to each.

Many opportunities are given to promote missions both in and out of our association. In cooperation with the associational WMU leadership we held a Mission Action workshop. At least 100 people came to learn about our mission projects. We expect this to be an annual event to be held each November.

Pastors and churches have invited me to speak either as pulpit supply or to discuss the CSM program or one of its phases. In the past 12 months I have spoken in 33 of our churches and missions, participated in two World Missions Conferences and preached three revivals (two in our association). I have delivered 127 sermons or other messages and taught 24 classes. I have spoken on Home Missions and CSM to churches in Durham, near Hickory, near Edenton, Laurinburg, Fairmont and Sanford in North Carolina.

The CSM division planned and supervised a successful associational youth camp at Wingate again this year.

We enjoyed having 2 college students from the University of Louisville during their Spring break to make repairs on the buildings at Shaw Heights. We had three Christian Service Corp workers for a week each helping in community surveys, migrant missions and Backyard Bible Clubs. Five summer youth ministers worked with us this year - two at Shaw Heights, one in Backyard Bible Clubs, one in Migrant and Resort Missions and one with Senior Adult ministries.

During the summer a Senior Adult Steering Committee was organized. This committee is composed of representatives from each of the local clubs. A successful Dinner Theater for Senior Adults was given on July 31, 1980.

Lib and I led a Marriage Enrichment Retreat for 12 young adult couples. Refugees from Vietnam, Nicaragua and Cuba have been ministered to through our language missions.

My family and I were invited by the Home Mission Board to attend Home Missions Week at Glorieta. This was a very beneficial week. Besides providing assistance for our work it afforded us a vacation experience.

Personally speaking, Lib and I gained another daughter-in-law. Our second son, Mike, was married to Miss Ann Van Hoy on May 17, 1980. Ronald, Jr. and wife, Debbie, continue to live in Winston-Salem. Steve began his Junior year at Wake Forest University and Lisa became a college freshman at Meredith in August. Although Lib and I now have what is commonly referred to as an "empty nest" we are very pleased with where our children are in the process of life.

I am grateful to each of you who had a part in this.

Respectfully submitted,

Ronald W. Loftis, Director

SAMARITAN GOODWILL CENTERS REPORT

I can do all things through Christ which strengtheneth me.
Philippians 4:13

We have had a wonderful and busy year. We have accomplished a lot of things this year. We are seeking and praying to better ourselves in the on-coming of Nineteen Hundred and Eighty One.

We have seen quite a number of men and women through the doors of Samaritan Goodwill Centers.

We have won souls for Christ. That's the greatest of all. We have in the home five women and nine men.

Our manager of the men's home is doing wonders. We are proud of Charles Nix.

We ask for your donations and prayers. So that we may continue to serve our Lord and Master Jesus Christ.

Respectfully submitted,

Alberta F. Green, Director

LANGUAGE MISSIONS REPORT

The Language Missions Department of our association continues to reach out to several ethnic groups. The language committee supports the language pastors and helps coordinate events to promote this ministry.

The Japanese fellowship continues to meet at Eutaw Heights Baptist Church under the direction of Mrs. Rose McDonald. There is an urgent need for a Japanese pastor to serve these people. Bible studies are conducted weekly by Mrs. McDonald in her home. Rev. Sam Edwards assists as he can by teaching occasionally. Some of the Japanese attend the worship hour at Eutaw Heights Church but the language barrier remains.

The Korean ministry continues to be strengthened under the leadership of Rev. Yoo Bai Kim. Snyder Memorial Church is strong in its support of this ministry. A weekly 30 minute radio program was begun in November 1979 by the Korean Church. Attendance remains steady with about 85 in attendance each week. Finances have improved in this mission to the degree that the association has been able to reduce its financial support. This report is even more encouraging when we consider that some members of the Korean Mission left to join the new Korean Presbyterian Mission when it was organized. Some also left to begin a pentecostal fellowship.

The Spanish Mission, meeting in a building provided by Grace Baptist Church, is under the direction of Rev. Mauricio Vargas. Attendance has not been encouraging yet the ministry is reaching beyond our associational territory. Rev. Vargas ministers to migrant workers in Dudley, Salemburg and Goldsboro. One of his laymen and a young ministerial student travel to near Kernersville weekly to preach.

Conversational English is taught to Spanish speaking people at Central Baptist Church, Spring Lake, two days a week. Mrs. Vargas and her volunteers have 12-15 people in class. More volunteers are needed.

The Spanish Mission also has a 30 minute radio program weekly. The opportunities here are almost unlimited. We will probably be needing a new Spanish pastor in 1981 as Rev. Vargas prepares to follow the original plans to become a state-wide minister to Hispanics. He has been on loan to us by the Home Mission Board and the Baptist State Convention. We covet your prayers that God will send a Spanish pastor our way. Fifty professions of faith were reported by Mr. Vargas from January 1980.

Rev. An Minh Phan is in his fourth year as pastor of the Vietnamese Mission meeting at LaFayette Baptist Church. The membership of the mission has grown to 66. Ten persons were baptized through August of this year. Much of the Vietnamese ministry is devoted to assisting refugee families in their resettlement efforts. Conversational English is taught by several volunteers one night each week. Ten to fifteen Vietnamese students come regularly for these classes.

Rev. An shares monthly in the radio program with the Spanish Mission. While this ministry is exciting it is also very frustrating. Vietnamese refugees often seek climate more typical of their home and thus move out of the state. Income of Vietnamese is usually below minimum wage, resulting in minimal income for the church. We are grateful to Salemburg, White Oak and Elizabeth Baptist Churches for the designated offerings they make to the Vietnamese Mission.

Rev. An is often asked to visit families and churches across North Carolina to minister to Vietnamese who have no pastor. He has been to Spring Hope, Charlotte, Winston-Salem, Raleigh, Goldsboro and regularly visits Salisbury.

Three of Rev. An's children are still in Vietnam. We ask for your prayers that God will help in the efforts to reunite these children with their parents.

Our first International Fellowship was held on September 27, 1980. It was attended by over 400 people. We hope this will develop into an annual event.

Each of our four Language Mission/Fellowship leaders is highlighted in the North Carolina Missions study book for 1980.

Respectfully submitted,

Dwight Cooper, Chairperson

YOUTH AND FAMILY SERVICES REPORT

The F. O. Y. Program has been very discouraging. Only a handful of volunteers have shown an interest. Travel costs have proved to be prohibitive. Difficulties in scheduling, changes in court personnel, and other matters have added to our inability to have a successful program.

The decision was made this year not to pursue this ministry further at this time. The program will be evaluated as we do our long range planning for CSM in 1981-83.

Respectfully submitted,

Ronald W. Loftis, Director of CSM

INMATE MINISTRY REPORT

Rev. Claude Carter, chaplain at the Law Enforcement Center in Fayetteville and pastor of Pinewood Chapel, supervises the inmate ministry.

Two Saturday worship services and a Thursday evening Bible study is offered to inmates. A number of the inmates continue in home Bible study after being released from jail.

Counseling is provided for inmates and families by volunteers trained at the center. Bibles and tracts provided by the churches are distributed to the inmates.

Approximately 40,000 persons spend some time in jail in Cumberland County. This represents a large segment of our population and affords us an outstanding opportunity to "visit the imprisoned."

Respectfully submitted,

Ronald W. Loftis, Director of CSM

COOPERATIVE MINISTRIES REPORT

During the past year the Cooperative Ministries Committee has pursued its task by planning the annual semi-revival.

The meetings were held in the First Baptist Church, Moore Street and the LaFayette Baptist Church, Hope Mills Road.

The spirit of the meetings was very good. There seemed to be a profound sense of renewal of commitment to a growing fellowship.

Next year's meeting will be planned away from the week of graduation and baccalaureate days.

There is reason to believe that our two associations, the New South River Baptist Association and the Union Baptist Association will be doing more and more meaningful ministries together.

Finally, the year of simultaneous revival is in the immediate offing, therefore the cooperative ministries committee is already making plans to become deeply involved in that joint-effort.

Respectfully submitted,

Daniel P. Stiles, Chairperson

MOBILE HOME MINISTRIES REPORT

Cumberland and Sampson Counties have one of the largest concentrations of Mobile Home Parks in North Carolina. In an era when much has been written and preached about Bold Mission Thrust and telling every North Carolinian about Christ we should not overlook the 50,000 or more people in Mobile Home Parks in our association.

The use of Backyard Bible Club and Big 'A' Club material can be instrumental in Sunday School outreach and church planting.

Only 12 Backyard Bible Clubs were reported this year by seven of our churches and the association. Although we had a youth minister in this department again this year we were not able to get the response we anticipated. We are hoping that pastors and VBS Directors will look favorably on developing a ministry to the residents of Mobile Home Parks located in the area adjacent to their church fields.

The association stands ready to assist you.

Respectfully submitted,

Orville Snipes, Chairperson

LITERACY DEPARTMENT REPORT

The tutoring center at Arran Lake Baptist Church/Brentwood Elementary School has continued through 1980. Four ladies worked in this program this year. Tutors are also working with adults at various locations in the association.

Conversational English tutors are also conducting three weekly classes at LaFayette and Central Baptist Churches. Besides these volunteer tutors are teaching English to the foreign-born in the residence of the student.

A Tutor-Training Workshop was held at Village Drive Baptist Church in October 1979. Eight additional tutors were trained. Another workshop is planned for October 24, 25, 31 and November 1, 1980.

There is a great need for tutors in our association. We currently have a waiting list of students who would like to have a tutor. This ministry has the potential to open an avenue for us to share our Christian faith as well as to provide a way for our churches to help persons cope in their world.

We invite you to have a part in this.

Respectfully submitted,

Ruth Ann Thomas, Chairperson

EMERGENCY AID REPORT

Our office is constantly called upon to assist persons or families who are in need. During the past 11 months we have given assistance to 128 families. The actual monetary value of aid administered through this department totalled \$3550. We have been giving less aid each year since 1977. This is not because of need; rather it is because we do not have the funds to help. We have used less than \$500 of the money budgeted for emergency aid; the rest has come from designated gifts or supplies.

Food, furniture, clothing and other items donated by individuals constitute the largest part of our assistance. Because of the unavailability of cash we have had to turn down many genuine requests for aid.

We do not generally make appeals for designated gifts, however, a group in your church may have a small fund to be used for missions. If you choose to send that to be used in CSM we will be glad to see that it is used wisely.

Respectfully submitted,

Frances West, Chairperson

SEMINARY EXTENSION REPORT

We have missed Don Yancey, last year's department chairperson. Don was discharged from the army and enrolled in seminary in Memphis, Tennessee. Our committee has continued to function, however, and in September we began three centers. They are located at Baptist Chapel, Calvary and Highland Baptist Church. Two courses are being offered in cooperation with Campbell University. We have a total of 20 students in these two courses. We also have 19 enrolled in a music course and 12 students enrolled in two courses at Calvary. One of these is being taught in Spanish.

We are very pleased with the response you are making. We are also glad to announce that four of the five instructors are workers within our own association.

Respectfully submitted,

William Beasley, Chairperson

YOUTH CAMP REPORT

1980 Youth Camp was probably our best camp ever! We had 348 campers, counselors and faculty. Twenty-seven churches were represented.

Youth Camp provides a time of Bible Study, worship, crafts, recreation, inspiration for many of our young people. They learn more than just programmed subjects. They learn to take care of themselves on a limited basis. They learn to handle money, to meet schedules, to get to specified places without momma having to prod them. They learn to live with others and to respect the feelings of persons whose backgrounds are different from theirs.

Camp is also a good experience for staff and counselors. The blending of age levels helps us have a better understanding of each other. There are no words to describe all of the good learning experiences resulting from youth camp.

I am very grateful to the camp committee and staff for the planning and supervision of camp.

Respectfully submitted,

Barbara Thomson, Chairperson

SHAW HEIGHTS MISSION REPORT

The past year has been one fraught with difficulty for Shaw Heights. Changes brought on by circumstances have compelled new emphasis.

Financially, the mission struggled the first nine months of the reporting period, but recently things have improved.

The secretary for the mission resigned in May to seek other employment and the decision was made not to replace her with employed help but to seek voluntary services from congregation members. This has met with success.

Military orders deprived us of several of our leaders; WMU President, Brotherhood President, two Sunday School teachers, our church Clerk, church Pianist, and G.A. worker. Twelve members in a very short time span were lost. Now we are beginning to fill in the gaps. Pray for our growing strength.

New outreach efforts are meeting with some success.

Respectfully submitted,

J. Oatley Lee, Shaw Heights Committee

MIGRANT MISSIONS REPORT

In March of 1980 we began Migrant ministries with a workshop at Mill Creek Baptist Church. In the workshop the purpose of the ministry and the goals of the ministry were given. Purpose: (1) Provide Christian ministries to migrant farm workers in New South River Baptist Association and adjacent area. (2) Offer hope to persons who may otherwise feel hopeless. Provide stability to a sub-culture that is highly mobile and generally without permanent ties. (3) Involve our churches in a worthwhile ministry beyond the four walls of the church. We also set up goals for the 1980 season: (1) Have weekly contact in at least 4 camps; 1 Spanish, 3 English. (2) Establish permanent locations where migrants could be in contact throughout the year. (3) Distribute health kits, New Testaments and clothing when needed. (4) Train ministers for 1981. (5) 5 professions of faith.

The above were not totally reached in the 1980 season but we came close to meeting our goals. We had an on-going ministry in four camps. We distributed health kits, New Testaments and clothing. We did train some for the 1981 ministry. The only set goal not achieved was a permanent location where migrants could be in contact throughout the year.

We did have a successful year but more could have been done if the manpower had been available.

During the year we had Backyard Bible Clubs meeting with the children, Spanish worship services, English worship services and French worship services.

As chairperson of the migrant ministries I would like to thank each church responsible for providing health kits for the migrants. We received over 600 health kits from groups within the following churches: Eutaw Heights, Grace, Pleasant Grove, Faymont, Mt. Pisgah, Mill Creek, Trinity, Magnolia, Elizabeth, Salemburg, Second Baptist, Snyder Memorial, Immanuel, Highland, LaGrange Park, Stoney Point, Spring Lake First. Your part in this ministry is greatly appreciated. Also we would like to thank those who provided New Testaments. Thanks to the following persons for their aid in the ministry without whom the ministry would not have been possible: Grant Carter, III, pastor of Hickory Grove Baptist Church; Hector Llanes, student from El Salvador, was our Spanish minister; Teri Reynolds, student from Campbell University, BBC; Lacy Autry, deacon from Autryville Baptist Church; David Williams and Rich Frothingham, laymen; and especially my wife, Judy.

Respectfully submitted,

David Shirley, Chairperson
